Attending this Fanoclast meeting of January 30, 1965; were me, Dave Van Arnam, Steve Stiles, Ted White, Andy Porter, Frank Wilimczyk, Lee Hoffman, Don & Jo Meisner, and Ray Sullivan.

AE #26 was sent in by Gilbert because he thought that no oo had been done for that mailing. Since Andy Porter did one a week ago, this one is part of this mailing. We can't have 2 oo for a mailing in the same mailing. It would be too confusing.

* The AMATEUR EFFER #30 is actually a postmailing since it is being typed on Saturday afternoon at an Informal Fists meeting. Attending but not contributing. l.rich brown & Dan Goodman.

*The dollar sign refers to rich, but not to his objectivist tendencies. It's just that everytime I think of rich I think of all the money he owes me...mjm

 APA L is just a bunch of middle aged SAPS trying to act fannish.
