Issued free of charge by Sam Moskowitz, at  
603 So. 11th St., Newark, N. J.

HAVE YOU SEEN THE LATEST ISSUE OF HELIOS---

Its contents will floor you, literarily speak-  
ing. Contents include A WITCH WOMEN'S CURSE,  
what is generally referred to as that rarest of  
creations, a really GOOD fan story, by the auth-  
or of THE BEAUTIFUL SCARBCROW. There is a long,  
timely essay tentively titled KNOCK 'EM DOWN AND  
DRAG 'EM OUT which takes the individual profes-  
sional publications and dis-CUSS'ES them in an  
interesting manner. LITTERIO B. FARSACI turns  
out an excellent fan essay in MYSTERIES, ASTRO-  
NOMICAL AND OTHERWISE. There is PANPARADE and  
A QUESTION which will have any real fan rollick-  
ing on the floor in just a matter of seconds.  
JACK SPEER, WILLIAM S. SYKORA, and CORWIN F.  
STICKEY also contribute their bit toward the  
interest of HELIOS. In HELIOS you have a hexto-  
graphed fan magazine that can be read with ease,  
and we don't mean maybe. Send 10 cents for a  
trial copy to SAM MOSKOWITZ, 603 So. 11th St.,  
Newark, N. J., or better still send 25 cents for  
a three issue subscription ~~to~~ to insure your re-  
ceiving the FIRST ANNIVERSARY ISSUE which is the  
next issue. There will be undoubtedly a special  
demand for this issue so send in immediatly.

Here at last the fan magazine have their own  
fan magazine. A publication in which they may  
 Garner free publicity to their hearts content,  
where they may read in long, interesting, intel-  
ligent comment just what the individual fans  
think of their publications. Here also is the  
magazine for advance depe on all fan magazines  
their various plans, and new publications plan-
