WELCOME TO THE OCTOBER MAILING

Nothing very significant to report this time around except that we have a few more "Supplementary" publications this time around.

Sadly one of these is the "In Memoriam" funeral leaflet for Judith Hanna, a long time fan who died in early September. It has been included at the request of Claire and Mark, with which I was happy to comply.

We also have a non-ANZAPA fanzine from Kim Huett. Note that these members kindly asked my permission to circulate these non-ANZAPA publications with ANZAPA.

A little smaller mailing than last time; we may be settling down to a mean size of around 500 pages. Mind you, having said that, Garry Dalrymple seems to have missed the mailing deadline, and his contributions would have no doubt bulked up the size.

FINANCIAL STATEMENT

I actually spent some of ANZAPA's money! Because I'm moving my website hosting, I found that I needed to pay for the installation of a SSL certificate for *anzapa.org*. An SSL allows the website address to be <https://> something rather than <http://> and encrypts any transactions. Not totally necessary, but these days some browsers flag websites without them as being "insecure". Anyway, it cost me AUD \$18.18 to do that. It's a once-off cost which won't recur unless I have to change hosting companies again. But the other hand, we earned 85c interest!

I've also now set up a completely separate bank account at Ubank for ANZAPA funds to keep things clear and simple.

	Balance from August mailing		<u>\$479.00</u>
29/8/21	Install SSL on anzapa.org	-\$18.18	<u>\$460.82</u>
1/10/21	Interest earned	+\$0.85	<u>\$461.57</u>
	Balance carried forward:		\$461.57

CONGRATULATIONS TO OUR NEW PRESIDENT!

Congratulations to Claire Brialey who once again is our President, and very deservedly so.

See the last page of this OBO for the full results. Thank you to Bruce Gillespie for counting the votes and preparing the results. Thanks, too, to everyone who voted.

**Next mailing deadline: 11:59 pm AET
on Friday, 10 December 2021**

Overseas members should probably aim to upload by midnight
Thursday their time.

APOLOGIES

My sincere apologies to Gerald Smith, who I erroneously indicated needed to contribute pages to this mailing. I'm finding that keeping track of what each member owes is one of the trickiest parts of this job!

No one is in any danger of minac at the moment, though in the spirit of very early warning and unless my system is a complete and utter mess, (which is possible), Garry Dalrymple should contribute 6 pages by February, no problem for him, I'm sure, and similarly Lucy Schmeidler needs to contribute 4 pages by February.
