EDITORIAL APOLOGY One or two members whose names were mentioned more than once in Bulletin No. 2 may have observed that their names and/or addresses tended to flow around a bit from item to item. This was because information from various sources proved to contain slightly differing information and there was no time to check before publication. This is, one supposes, the penalty one pays for having such a red-hot and up-to-the-minute Bulletin. Still, apologies are sincerely offered to those who have suffered thus.

YARCON EASTER 1966 If you still haven't registered for this annual occasion, 7/6d to David S. Barber, 1A Walsoken House, Walton Road, Wisbech, Cambs, brings you full particulars. Even if you know you won't be able to attend, it still entitles you to the programme booklet etc.

FURTHER TO THE ABOVE, although all the single rooms at the main Convention hotel are now booked (overflow hotels being laid on where necessary), it is understood that there are still some doubles left. Anybody interested should contact David S. Barber (address just above) soonest.

COMMITTEE NOMINATIONS There are two nominations for the Vice Chairmanship - Kenneth F. Slater (M.6) has already been seconded, and Peter R. Weston (M.410) still requires a seconder. Steve Oakey (M.657) has been nominated unopposed as Publications Officer. The necessary ballot forms etc will be circulated shortly.

SECRETARIAL APOLOGIES The Secretary, Doreen Parker, has recently been in hospital for a minor operation and wishes to apologise for being as a result somewhat in arrears with her correspondence etc. She is now at large again and working for 25 hours a day while she catches up.

TYPISTS WANTED PaDS needs typists. PaDS - the B.S.F.A.'s Printing and Distributing Service - assists members to produce and distribute amateur duplicated magazines. Duplicating is done by Archie (and Beryl) Mercer, and typing by Doreen Parker and others. Doreen now has more than enough to cope with on other fronts, so more "others" are needed to fill an expanding gap. The work consists of stencil-cutting from MS. All that is required is access to a typewriter, a reasonable amount of time, and the ability to copy-type. Volunteers please contact Archie & Beryl Mercer, First Floor Flat, "Rosehill", 2 Cotham Park South, Bristol 6. And thank you very much.

VIENNYBODY ? A Convention is being held this year in Vienna, over the week-end August 5th-8th. Although the main proceedings will of course be conducted in the German language, a considerable proportion of German-speaking sf fandom also speaks and writes pretty good English. Quite a few British and probably even an American or two are busily arranging to take their summer holidays at that time with the object of attending, anyway. Details from Eduard Lukschandl, 61 Klosterneubergerstrasse, Wien 20, Austria. (PS. German-speaking sf fans as a class can be recommended - they're fun.)

SPECIAL ANNOUNCEMENT The B.S.F.A. Committee and its corps of co-opted assistants wishes all members a happy new year.
