

ANZAPOPLL 1979 : THE REPORT

*Published for the Monstrous Regiment of Anzapan by
your retiring President, Sally and John Bangsund*

It was a close thing there for a while, folks. Brosnan set a cracking pace at the start, but was soon challenged by Mason, Edmonds, Frahm, the Darlings, Ortlieb/Smith and Swift/Middlemiss. The Toskey lobby made its usual appearance, and for a time it seemed Lindsay might get up, with a smart run at the last furlong post by Hirsh, but with the last mail on 1 October it was obvious that it would be neck and neck between Swift/Middlemiss, Frahm and Edmonds, and indeed they finished in that order, with Brosnan a very creditable fourth and not too far behind him Ortlieb/Smith.

Congratulations to our President for 1979-80, Helen Swift and Perry Middlemiss, and god bless all who sail with you. Now the details.
