

OOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A MOVING STORY

OOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I really did intend to have another fabulous issue of Stunned Mullet in this mailing, but things keep on happening to stop me: things like having to go to work, John Foyster popping in and keeping me up all night drinking (you know what he's like), and so on.

Anyway, this modest sheet is intended to serve three purposes:

1. I said I'd see you in this mailing, and here I am. Hi!
2. As of mid-January I expect to have a new address, in South Australia. You'll probably find it first in Leigh Edmonds's great little newspaper. The old Kingston address will be okay until June, but not much use if you want to contact me in a hurry.
3. I'll be standing next year for OE. My platform:
  - \* ANZAPA will be mailed not later than the 10th of each second month.
  - \* The deadline for contributions will be the 1st of each second month.
  - \* I will endeavour to find new members for ANZAPA, in Australia and overseas, and will probably recommend that the membership be increased to 35.
  - \* I will recommend a system of sponsorship for overseas members, whereby an Australian member undertakes to pay an overseas member's airmail costs. This will allow a reduction in the annual membership fee.
  - \* I will propose certain alterations to the constitution. One proposal will be to introduce the office of Secretary-Treasurer.
  - \* I will not charge ANZAPA anything for producing the Official Organ. It's an honour to be OE, and I don't see why you should pay for the Official Organ. Each mailing I will supply an accurate financial statement, and every second mailing a copy of the constitution.
