

CRY OF THE NAMELESS

number 60

December 6, 1953

Published approximately twice each month to spare science-fiction fans away from meetings of the Nameless Ones. Write to The Nameless Ones, Box 92, 905 Third Avenue, Seattle 4, Washington.

NEXT MEETING

will take place as usual,

Thursday, December 10th

8pm

Room 4122

Arcade Building

(Between Union and University Streets)

In Downtown Seattle

Features a whole room full of people like you who would like to talk with you about things you like to discuss. Where else could this sort of thing happen?

NEXT MEETING

we really should start giving some thought to election of officers.

It is getting around that time of year, and we are minus a President since F. M. Busby disappeared into Alaska.

LAST MEETING

was, from all reports, very successful despite the change in meeting nights. Attendance was average and discussion was lively.

CONVENTION PROGRESS

Box 7

Berkeley Stan Shack

1237 Russell Street

Berkeley 2, Calif.

Dear Editors:

After difficulties it would rather not recount or remember, the convention committee, by sheer dogged persistence, has obtained an excellent site: the Sir Francis Drake, in downtown San Francisco. Reservations should be made through the Twelfth Annual Science-Fiction Committee, Box 335, Station A, Richmond 2, California. We have 4 floors reserved for us in a block, plus 5 suites, meeting hall with adjoining bar, and other excellent facilities.

There was some dispute about the make-up of the committee itself, but the Bay Area's major science-fiction club (the "Little Men") has now voted to give its full support to the committee as presently constituted: Lester Cole, Gary Nelson, and Peter Finigan. We know they'll do a good job.

Membership is, as usual, one dollar. Membership cards and a progress report giving full details will be out soon. We need publicity; above all, we need members and attendees for the best science-fiction convention on record.

Yours for the SFCon,

Yaren Kruse
