This issue is being hurriedly typed on mas-
ter at 6:45 Friday evening. A lot of things
have happened to me in the past week, one of
which is the astounding fact that AIGOL 7 is
finally out, with the help of Mike McInerney, as far as collating is concerned.

After waiting many weeks for our carpenter to recovery from an auto accid-
ent, my impatience was finally rewarded with a room and bedfull of sawdust. In
the past week, my bathroom has shrunk to half it's former size with the install-
ation of a new closet. I now have shelving above my bed as well as overmy dresser.
Totla length of shelves now comes to 92 feet, triple what I had when the FISTFA
meeting was being held at my house.

I guess I'm happy about it.

Mailing Comments:

- Cover-Stiles: Pretty good, seeing as how you did it while sitting on my living-
room floor.
- P.S.:Learn how to spell.
- Fanoclast Weakly & Frost Drip: You a fascist? And with a name like Katz!!! Print
the letter by brown.
- Begler-Porter: Yecch!!!
- FanoMatic-DVArnam: You'll find no comment hooks in this, either!
- First Draft-DVArnam: Did you know that some one drank two extra cans of bbeer that
my Step-father was saving? I wonder who...maybe you?
- Hydra*-McInerney: Noted
- Crudzine Quarterly:brown: Noted
- OPO-Lupoffs: And I followed you out about a minute after you'd gone, and I foll-
owed you to the subway, only it turned out not to be you and I ha d to go back in-
side all hot and bothered and stay another two hours and I'm a damn fool, ain't I?
- Pillycock-Boardman: Grokking is, but no reprints-make it original.
- Minac*-Ted White -Noted but not talked about for apa f. Understand me? I don't.
- Ego-Meyers: And where's that damned "atz kid, the pinko.
- Gambit-TED White: Yes, but on the other hand I feel that you could have been a
bit more inclusive in your comments. For nstance, when you say "yes, absolutely",
you could imply that you are committed all the way to the subject, which was a
bit too much from my point of view. I always thot of him as a fathead, but we can
at least respect each others' friends, even if we do know that they're all finks.

TERRY for TAE!
