SILENCE FROM GREAT SWAMP EXPLAINED

Contrary to rumor it was disclosed that Roy Tackett has not been gator et. Investigation of the mysterious silence emanating from the Great Swamp revealed that Roy had been in the Lesser Swamp of North Carolina studying some new radio equipment hence the lack of fanac since publication of Dynatron #2. Roy explained that service schools not only take up all of the daylight hours but most of the off duty hours as well. He was also hampered by being separated by some 250 miles from his typewriter. Letters will be forthcoming to various correspondents and fanzines.

DYNATRON EDITOR TO EXOTIC ORIENT.

Dynatron announced today that editor Roy Tackett would begin coverage of the fanac situation in the Far East in February, 1961. Marinated Publications said that inasmuch as Roy has been ordered to the Far East by the Marine Corps he had agreed to take on additional duties as Dynatron's Far Eastern correspondent. Roy will depart for a 13 month stay in Japan from San Francisco in February. His official address will be announced later. In the interim mail for Roy should be addressed to him at Route 2, Box 575, Albuquerque, New Mexico.

DYNATRON PUBLISHING SCHEDULE NOW UNCERTAIN. Laurel Bay, S.C., 25Nov60. In view of Roy Tackett's transfer to the Far East the publishing schedule for Dynatron is now uncertain. Roy said he may possibly be able to get #3 out in January but publication will depend on how quickly he can get the family settled in Albuquerque. If the January date cannot be met then Dynatron 3 may appear in March. "We are not sure yet just what we will do," he said. "We may be able to work out an arrangement for me to edit and do the stencil cutting in Japan and then send them on for Chrys to publish from Albuquerque. We won't know for sure until I can look over the situation in the Far East."

SWAMP DENIZEN WILL VISIT BAY AREA

Roy Tackett announced that he will visit the San Francisco Bay Area in early February, 1961, in conjunction with his move overseas. He hopes to contact the GGFS and the Little Men. He said he would try to arrange his schedule to also include a visit to the (shudder) LASFS.

ROBIN WOOD BECOMES LONE S. C. FAN

The departure of Roy Tackett from the Great Swamps leaves Robin Wood apparently as the only fan in S.C. Les Sample is now in Texas. Robin's address: A3c Robin Wood, AF19655527, 63rd C&E Maintenance Squadron, Donaldson Air Force Base, S. C.

When first I saw the cover of YANDRO #93 I thought Buck had joined the Hyborian League.
