

THE FANAC POLL 1959

This year the FANAC Poll is being circulated with several other fanzines, in an effort to get a wider and more representative return. Results of this poll will be published in the second anniversary of FANAC next February 24, along with complete coverage of the top writers, artists, fans and fanzines of the year as determined by this poll. Fans not on FANAC's mailing list at present can assure themselves of receiving a copy of the FANNISH II and complete poll coverage simply by returning the ballot and writing name and address at the bottom.

This poll is for the year 1959; please vote on material and so forth which has appeared during 1959 only. Votes for oneself or one's own fanzine will be discounted and the rest of the votes in that category moved up accordingly. Votes will be counted in the following manner: in categories of ten places, ten points will be scored for a first-place vote, nine for second, etc; in categories of five places, five points for first-place, etc. This may sound strange and confusing, but it worked last year and unless the fundamental rules of mathematics and logic have somehow changed mysteriously in the intervening months it will work this year too.

Deadline for this poll to reach us is February 15, 1959. Address your ballot to FANAC, c/o Terry Carr, 70, Liberty St, #5, San Francisco 10, Calif, U.S.A.
