

FIRST ANNUAL FAN POLL

This ballot consists of three parts. The first part is an official ballot for you to vote in the annual fan poll for (that is, covering) the year 1962. Then you will find a charter for a Fan Poll Committee to conduct future polls of this sort; you are asked to indicate whether you approve or disapprove of this charter, and if a majority of those voting approve, it will be adopted as the official charter for the Committee. The third part is the ballot for the election for the committee to conduct next year's poll.

I. THE POLL

In each category you will find a place to list your first choice, your second, etc. You may list as many choices as you wish but you may not vote more than once for the same item and of course you may not list more choices than there are spaces. Your first choice will count 12 points in category B, 3 points in A, G, and H, and 6 points in the others. The second choice will count one less than the first choice, and so on.

II. THE CHARTER

I approve of the charter which is enclosed.

I do not approve of the charter. (If a majority of those voting approve the charter it will be adopted as the official charter of the Fan Poll Committee.)

III. THE COMMITTEE ELECTION BALLOT

There are six candidates for five memberships. Vote for any five (or fewer) by marking in the spot next to the candidates' names. NOTE: It is the general sense of the ad hoc committee that, in view of the international composition of fandom, it would be desirable for the elected committee to have three or four US members, one or two overseas members. For this reason the US candidates and the overseas candidate (there is only one this year) are listed separately. This does not mean that you must vote for four US candidates and the overseas candidate. You are free to select any five of the six candidates you wish.
