Official Editor's Report

First the bad news. FAPA unfortunately continues to suffer from the mortality of its members. Bill Evans died suddenly in late June, almost exactly two years after Bob Pavlat. Peggy Rae Pavlat contributes an obituary. Any short appreciations anyone wants to send me will be published in the next Fantasy Amateur.

Now for the more traditional business. The proposal for an amendment to change how the dues are set that was presented in these pages last time was indeed discussed at the last collation. There was, somewhat to my surprise, unanimous agreement that dues could be changed by deliberation of the Secretary-Treasurer no more than once a year rather than by constitutional amendment. Several variants were considered as to frequency of allowed change and where to place the authority, and the one on the ballot was the general agreement. The motivation behind it was to make changes both upwards and downwards in the dues come a little easier and to respond quickly to sharp changes in postal rates. In recent years FAPA seems moving in the direction of knowing that tradition can carry a lot of things on and not wanting to vote on every little detail (judging by the recent elections). This amendment will, we hope, make things run smoother.

There is some good news. I had a little talk with the post office and they will now mail the US copies book rate which is the postage on many of your copies was less. International they still insist on regular rates and those have gone up.

The meaning of "tentative" on the ToC is for zines that I have been told will be delivered at collation or know were in the mail in time to arrive. Essentially it means that when I type the ToC late Friday night that it is a zine not in hand and could potentially not appear in the mailing. If you are worried that your zine may be postal delayed, drop me a note or call and I will consider holding the mailing a day extra if convenient (no guarantees). If a zine is delivered on collation day without my being told or manages to appear before I seal up the envelopes, it will still go into the mailing but not be listed in the ToC. People phoning me may wish to know I have an answering machine (answers on 4th ring). Thus there is a 95% chance you will at least be able to leave a message if you call. If you call about a zine being sent, tell me title and number of pages (for the ToC).

Once again I remind people to please send at least 68 copies and preferably a few more to make the collators' life easier. I consistently make use of at least one extra copy each time to replace destroyed or lost copies in the mail. Please remember that the Sec.-Treas. can not count for renewal credentials any zine that sent 65 instead of 68 copies.

I will mention again that any mail sent via the postal service (including express mail) should go to the PO Box. Only use my street address for mail that requires one and keep in mind there will be at least a day's delay as I have to leave my signature on the door after receiving first notice. The problem is that I am not home during usual mail delivery times. I have made an agreement with the UPS person so that on Fridays before the deadline I will just leave a blanket signature on my door. Federal Express can also be handled the same way though for them warn me in advance if arriving on Friday or Saturday.

The surplus stock sale continues as a regular and apparently popular feature. Cost will be for recent mailings \$4 each complete mailing and \$2 for each incomplete plus \$2 postage for the first one and \$1 for each beyond that. Preference will be given to waitlisters. The most recent mailing will always not be available so that those bundles can remain for their primary use, replacement for copies lost in the mail. Currently available mailings are 181 postmailing (\$1 plus \$1 postage, 1 copy), 187 (1 copy), 190 (2 copies), and 191 (1 copy). While at Worldcon Ed Cox gave to me a batch of surplus stock from his time as OE. For these I will be charging \$6 each (considered more valuable due to age). Available are 176 (August, 1981, 3 copies), 177 (2 copies), 178 (4 copies), 179 (1 copy), and 180 (2 copies).

Correction to the Roster 8/10/85

Bill Evans has passed away (please see Peggy Rae's article in this issue). I did not have the opportunity to change the roster listing; however, Charles Martinez now moves from the waitlist to the membership. Although it is great to have Charles in FAPA, I regret that an opening had not come up in some other way.
