ANNOUNCES

That time of year has arrived again! Can't really say that I look forward to it with much anticipation this year, at least, not as much as in the previous two. Too much work, both fanish and mundane, has piled up on me to make the prospect of a third volume of THE BEST OF FANDOM pleasing. However, and note this, there will be an issue.

D/W FANAC 47

All fan-eds should make their choice of material from their zines for the year 1959. Pick the three items you think best, or as being most representative of Fandom for the year. One change has been made, however, this year. It is not necessary to include any issue of your zine that comes out in December. I'm trying to get the thing out earlier, and the best way to do it is to drop December issues from this year and add them on to next year. The volume will be for a year from December to November. Selections should be sent to me by December 1st, 1959. A copy of the article should be sent if you don't send me your zine.

The sooner I can get your selection, the better. And, I do mean that. BOF will have to be worked in as best I can and still keep up my other fanish activities--which are sorely lagging at this time. Terry Carr has offered to put all art on master for me, as well as typing some of the masters. I would certainly appreciate it if any of you other editors could see your way clear to type, if not more than your own selection, at least your own. Would be more than willing to send masters to you for this purpose, including the layout Terry is designing.

Fan-artists who read this, I would appreciate having art, full page, from you for the zine. If you can do it on master yourself, this, again, would be appreciated and save Terry a lot of work.

Here's to a bigger and better BOF-59. If you can do some typing, please contact me before doing it as I want all material to fit the layout Terry is doing. Okay?
