{ EDITORIAL }

An editorial for the first issue of a new fanzine is a very difficult thing to write. Those we have seen invariably rhapsodize about the aims and intentions of the fan group originating the particular zine.

Our aim is to produce a fanzine ! Not too serious, but not 'grothy'.

In the clubs and unorganized groups already in existence in the U.K. the femme-fan is in the minority. "FEMIZINE" is designed to unite these minorities in order that they can get a better hearing in the fan world.

Although all the material used (with one exception), will be written by femme-fans, we hope men will also subscribe. The exception will be our letter section - "MAIL AND FEMALE" - in the next, and subsequent issues. We are looking forward to receiving and printing comments from the males.

The rather large quantity of editorial material in this issue, is mainly P.T.O.

2.00 10.00 1.00 1.00 1.00

due to the lack of any other kind. We have no intention of continuing this way. For one thing it involves too much work. If the fanzine is to continue we must have articles, poems, illustrations, the lot! At the moment, everything is largely experimental. We want you, through your letters, to formulate the broad outlines of our policy.

Our cover incidentally is mainly for the men. Take a long last lingering look. Wave a fond farewell to the cover girl. From now on, we join Frances Evans in her campaign for "more beefcake".

Hope you have a good time at the "Supermancon" ----- wish we could be with you -----

(There you have the cover, inside-cover, and editorial from the first issue of "FEMIZINE". You want to know what is inside it? Then have a word with Frances or Ethel at the Convention. And don't forget to spare a thought for me while you are enjoying yourself will you? It is very dry in the desert. (JWC)
