

ISFA NEWS - JULY '72

The next ISFA meeting will be held July 15 at the manse of Robert and Juanita Coulson, Route #3, Hartford City. Ph. 348-0905. Time: anytime after ten a.m. Saturday until...? Manse Coulson is a rural area, with trees and bushes and poison ivy and groovy stuff like that, including livestock which doesn't belong to us. Please ask before you wander anywhere on the grounds, don't leave kids unattended, and above all don't leave gates open. (better yet, don't go through the gates; It'll probably trap you in a field with a jealous bull or boar)

Menu will be spaghetti and whatever garden produce is available by that Saturday (it's been a cold, dry summer so far and poor growing season), plus the usual picnic stuff like jellos and lunchmeats and potato salad, etc. Contributions will be gratefully accepted. If you're not sur you'll like what's offered, you might want to bring along your favorite snackable.... for you or your kids. If you wish, let us know what you'll be bringing so we can coordinate it with what else will be coming and we don't end up with five dishes of baked beans or an equal head-bumping situation.

We can supply maps on request to enable you to locate the place so that you won't be forced to call us up after you become hopelessly lost in the wilds of Blackford County.

Everybody will now burn a goat and avoid washing their cars to propitiate the gods and get bright sunny weather for that Saturday.
