

# ISFANEWS - APRIL 76

NEXT MEETING AT: Joyce Scrivner, 106 Myrtle Drive, West Lafayette IN 47906, April 10, Saturday, 2p.m. to whenever, Phone no. 463-7307 (Note; Myrtle Drive is the second street north of US 52, off Soldier's Home Road.)

This will be an afternoon meeting, starting at 2, and ending when you Indy people decide you have to leave to get home. Maydene Crosby will still be in the hospital at that time, so she will not be in attendance. This is not a picnic, merely an afternoon meeting.

Last meeting was average size. The Miesels, the Lavells, the Coulsons, Brian Cox, Steve Bridge, Carolyn Doyle, Mike Darwin, Floyd Tolle, Anna M. Schoppenhorst, Jerry Hunter, and that seems to be it. Usual meeting type stuff.

The map below is an attempt to show you how to get to the meeting. I did not draw it, so I cannot vouch for its accuracy; or lack of same. But it should be good enough to get you there. Getting back out again is your problem.

I have just enough space to ask who is going to take over Isfanews when I'm off at college? We should decide on this fairly soon. BEC
