MEMPHIAN FILM SERIES

The Memphian Theatre has been running a series of films many of which might be of interest to the club or anyone interested in films. They will be having FLESH GORDON (Jan. 13-15), IT CAME FROM OUTER SPACE & CREATURE FROM THE BLACK LAGOON (Jan 30-31. in 3D), ERASERHEAD (Feb. 4-5), NOS-FERATU (Herzog) & DRACULA (Langella) (Feb. 15-16), STAR TREK-The Motion Picture & WHEN WORLDS COLLIDE (Feb. 18-19), SLEEPER (Feb. 20-21). The Memphian's phone number is 272-9604. It would be best to call to verify these dates before jumping into it.

You may have noticed a slight name change. I decided I liked Memphen better and made the change. MEMPHEN also needs art, articles, and reviews of all sorts. So keep us in mind when you go to that convention, see that movie, read that book, or doodle that alien.
