OUR NEXT MEETING WILL BE AT THE MAIN PUBLIC LIBRARY (McLean & Peabody), Tues. Sept. 25 from 6:30 to 9pm. We will show "STORY OF A WRITER" with RAY BRADBURY. He tells the origin of one of his stories, how he develops it, and its subsequent sale. This short film will give some idea of how a lot of stories by most any writer are done.

We will also discuss the elections which we will have at our next meeting (more on that later). Mildred Riley has offered to accept one position or the other in the club. Although we do not have a constitution as such we do have a need of several officers or people that we can rely on to get things done as far as organizing the meeting of the club. As far as this newsletter goes I will quite willingly donate the supplies necessary for its continued publication. The club would need to pay the postage if the members feel that it needs to be published on a regular basis. I am back in school now and I will not personally be able to continue putting this together. If someone else would be willing to, they can get the mailing list and supplies from me or who-ever the new Sec/treas may be. My mimeo will be available by appointment(during the day).
