**FREE** Bulletin of the Michigan Science-Fantasy Society - Vol. II, No. 1

**NEXT MEETING.** Sunday, 17 July 1949 is the date of the next scheduled meeting of the MSFS -- the time: 1:00 p.m. -- the place: Ed Kuss's, 7502 Grixdale, Detroit, Michigan. Phone TW 1-6870 if you get lost.

No formal program. However, this is probably the meet at which final share-the-ride plans for the Convention trip will be made. Also, the fate of THE MUTANT will come in for thorough discussion, as will future MSFS activities in general. So if you want the current inactivity to end, be at this meeting!

There will also be a very choice selection of back issues to be traded among members. So bring along your best duplicate mags!

**MUTANT.** Don't look at the calendar just now, but the February issue of the MSFS Official Organ is about to hit the mail. Several of the MSFS officers spent the Fourth of July weekend cranking the mimeo, after all attempts to get other members to assist had failed.

**NON-MEMBERS.** If you are not a member of the MSFS at the present time, you won't continue to receive THE MICHIFAN unless you at least drop us a postcard requesting it. Better yet, why not come to a meeting of the club? While we realize that transportation difficulties, working hours, etc., keep some of you away from meetings, we are no longer going to use club funds to finance sending these announcements week after week to fan who, as far as their response indicates, might not even be interested in science-fiction or fantasy any longer.

Inci-  
dently, quite a number of memberships have expired since the beginning of the year. If you haven't paid your 1949 dues, you're no longer a member; if you're in doubt, drop a card to George Young, 22180 Middlebelt Rd., Farmington, Michigan, and see if your membership has expired yet or not.

If you don't know whether you want to join the MSFS or not the best way to make up your mind is to drop in on a meeting. You need not be a member to attend -- come along, meet your fellow Michigan fans and learn what you're missing!

**WORLD SCIENCE-FICTION CONVENTION.** Undoubtedly you are aware that the seventh annual World STF Convention will be held in Cincinnati the 3, 4 and 5th of September. If you plan to attend, you can cut travel expenses by riding in the auto of a MSFS member on a share-expense basis. Get details from George Young, or -- better still -- come to the next meeting!

By the way, hotel reservations for the members who have already decided that they are going are already made -- so if you make up your mind to attend at the last moment, you'll have to make your own arrangements for sleeping quarters.

Don't forget -- unless you are a MSFS member, you won't get future issues of this bulletin unless you request 'em.
