LAST MEETING: The last meeting was held on the 11th of December at the home of George Young in Farmington. There were 17 people out to the meeting. The members present included Art Rapp, Ralph Fluette, Bill Groover, Edith Furesik, George Furesik, Gerald Gordon, Martin Alger, Fred St. Arnault, Howard DeVore, Armin Seielstad, Ed Kuss, and George Young. We also had some visitors at the meeting: they were Norman Kussuth, Fay Catherine Couff, Perdita Lilly, Dick Evans and Stan Suddiek.

At the business session it was decided to pay Art Rapp \$5.00 for the broken windows on his house. It was also decided to buy the Dark Wisdom books from him so that he would not be behind on a club project into which he had put his own money. It was voted upon to accept the resignation of the Saginaw fans very unwillingly and very regretfully. The resignation of Virginia Beebe was also accepted unwillingly and regretfully.

After the formal business meeting was adjourned and over an excellent spaghetti dinner served by Mrs. Young, there was a discussion on the future of the MSFS. The sentiment seemed to be towards dissolving the Michigan Science Fantasy Society as the only actifen now were the Detroit fen anyhow. That is, they were with the resignations of the Saginaw fen. Since there is and for some time now has been a very active Detroit club (Detroit Science Fantasy League) which the outstate members could join as associate members, the Detroit group favored the disbanding of the MSFS. Because of this, a petition for the disbanding of the club was drawn up. It is presented below.

PETITION: Whereas the fans from Saginaw and from Holly have resigned and the fans from Cadillac have threatened to resign and whereas the rest of the fans from outside the Detroit area seldom get out to a meeting and there is already an active science - fiction club in Detroit which also accepts associate members and whereas we find that the Michigan Science Fantasy Society is unnecessary and only a drag on the Detroit stfen, we hereby resolve that the Michigan Science Fantasy Society be dissolved.

Enclosed with this bulletin is a post card ballot. Please be sure to vote and return your ballot immediately as there is little time between now and the meeting date and we would like to be able to act definitely one way or another at the next meeting.
