**NEXT MEETING:** The next meeting of the MSFS will be held at the home of Ray and Perdita Nelson. The date is March 18, 1951. This, please note, is a Sunday. The meeting is scheduled to begin at 6:30. Of course it is purely euphemistic reasoning to expect many of you to arrive on time, however, be thou<sup>n</sup> warned, the meetings are actually beginning on time these days, whether anybody is there or not. Anyway, the directions: The address is 29 Avalon in Highland Park. The house is located just Jerry McCarthy Chevrolet, an alley, and a two-family house from Woodward, and Avalon is three blocks south of Davison. Incidentally, the house is on the west side of Woodward. We, that is, Ray and Perdita don't have a telephone so if you want any additional information, you'll have to call Roger Sims at Un. 3-6523 or our venerable president, Bennett Sims at Un. 1-0248, since they both know where the place is.

**LAST MEETING:** The last meeting of the MSFS was held at the home of Howard and Sybil DeVore. We had quite a gang out, including Howard and Sybil, Ray and Perdita Nelson, Roger and Bennett Sims, Ed Kuss, Agnes Harook, George Young, Winston Dawson, Norman Kossuth, Martin Alger, Gorden Black and Ben Singer.

At the last meeting we finally adopted a new constitution; a somewhat amended version of the old Misfits' constitution. Our long awaited membership cards were finally handed out since our recent change of name gave Algie a chance to use the MSFS design that he already had made up. About the Constitution, come to think of it, I guess it still needs the signatures of 2/3 of the membership before it actually becomes official.

The entertainment program for the evening went off rather well with Ben presiding in a typical Singer manner. Incidentally, Ben read during the course of the evening, a letter from Pfc. Gerald Gorden who doesn't seem quite pleased with his new military status. If any of you want to write to Gor you can get his address from Ben Singer.

And laying aside all personal antagonism, I must say that in spite of the attitude of some of the fan, the meetings are beginning to improve considerably.

And by the way, we also decided to hold an April Fools Day party. I believe a committee has already been appointed to plan the shindig.

**PROGRAM FOR THE NEXT MEETING:**

- A panel discussion of Dianetics.
- Talk on L. Ron Hubbard by Roger Sims
- As usual, a speech by Bennett Sims
- A science-fiction play

Bennett Sims said, "A true fan should devote every waking moment to writing stories, drawing, publishing fanzines, holding meetings, perpetrating fan politics and changing the club constitution."

Perdita Nelson said, "I like to read Science Fiction. Maybe I'm just degenerate."
