

There will be an . . .

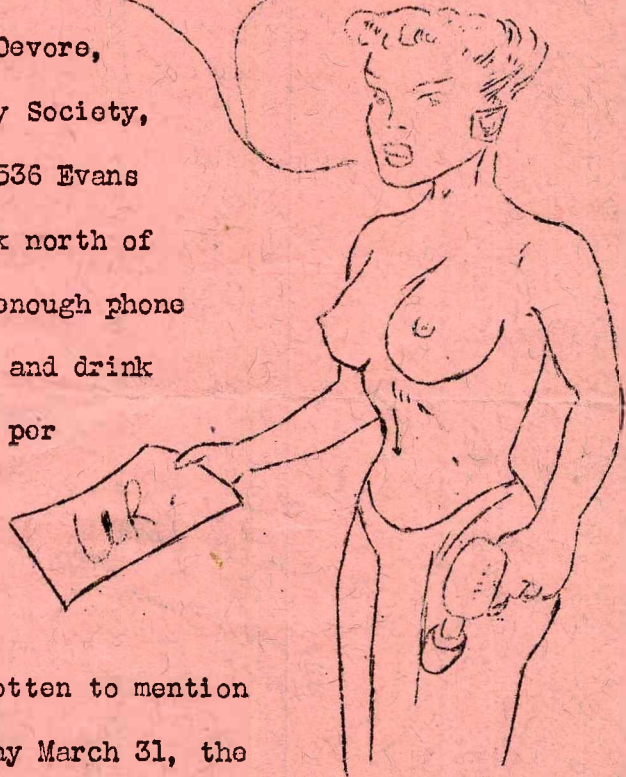

APRIL FOOL

party held at the home of Howard and Sybil Devore,
for members of the Michigan Science- Fantasy Society,
their family and friends. The address is 16536 Evans
Street, one block west of Harper and a block north of
Whittier. If these directions aren't clear enough phone
FI 1-1336 for better ones. The fee for food and drink
will be the usual \$1.00 per person or \$1.50 per
couple. This was originally to be a
costume party but seeing as how this
notice is late a costume shall be optional.

Oh yes! I suddenly realized that I had forgotten to mention
the time. It will be 8:00 pm on this Saturday March 31, the
day before April Fools day. If your taking a bus I think that the Davison Bus go-
ing East from Woodward will leave you off, at the end of the line, just a block
South of the Devore home. You had better check with Devores on this first though,
I will not take the blame if you end up in tim-buck-too instead.

See ya at the party (L Hope)

George H. Young
