## THE MICHIFAN

NEXT MEETING will be held at 6218 Michigan Ave. This is about 3/4 of a block East of Livernois. The place is a combination grocery store & lunchroom. The meeting will start at 7:30 PM, Saturday, April 28th.

At this meeting we are to reach a final decision on the name of the club fanzine. Also planned is action on Ben Singer's proposal that a picture story on the MSFS be made and submitted to the Detroit papers.

THE LAST MEETING was held Apr. 14th at 14051 Santa Rosa, Geo. Young was the sponsor. In addition to the usual program, the proposals regarding the fanzine title and picture story were put forth and subjected to preliminary discussion. Regarding

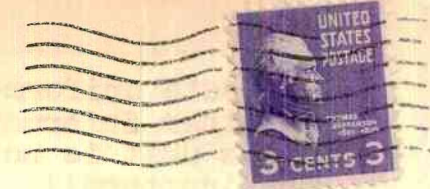

the fanzine, it was decided that for the present it will be limited to a more or less local club organ. However, it will be sent to fan and pro-zines for review. If it is well received it may be expanded into a regular sub-zine.

STEP RIGHT UP, GENIUSES. If you're a fan genius who can write or draw, step right up. The club fanzine needs good, short ( one to three page ) articles-- also artwork suitable of mimeo use. At the present time fiction and poetry are not needed as much as articles. Besides, several MSFSers turn out fan fiction at the slightest provocation. Of course there can be exceptions, if you have something in fiction line that is extra good and short, it might be used.

CHECK YOUR ADDRESS If you wish to receive THE MICHIFAN in the future, check your address as it appears on this issue. If there is any error please drop a card with the correction to; Martin E. Alger, 118 N. Center St., Royal Oak, Mich. The MSFS has purchased materials to set up a stencil and sticker addressing system and we plan to have the stencils cut in time for the next MICHIFAN.

2nd MIDWEST FAN CONFERENCE. Sponsored by the Cleveland, Columbus and Cincinnati fan groups, the 2nd MIDWEST CONFERENCE will be held at Indian Lake, Ohio, May 19 & 20. This is near Bellefontaine, Ohio. This should be well worth while for all Michigan fans, as it is only about 150 miles from Detroit. Last years conference, in Bellefontaine, drew between 50 and 100 fans, pros and editors from several Midwestern states. This one is expected to be bigger and better-- will we see you there? A number of Detroit area fans are going, lets have a big turnout of Michifandom this year. If you can't make the national convention this should be a good second best.

THE LAST MEETING was held at  
123 N. Center St. on April 22, 1951.  
Young was the speaker. In add-  
ition to the usual program, the  
proceeds regarding the fund-  
raising and picture story were  
put forth and subjected to a  
liminary discussion. Regarding  
the program it will be limited  
to a good local club organ. However, it will be sent to  
the members for review. It is well received it may be expanded  
into a regular feature.

STAY WITH US, MEMBERS. If you're a few minutes who can write or  
draw, even a little bit, the club remains very good. There's one to  
three year members—also work outside of club use. At the  
present time fiction and poetry are not needed as much as articles  
and news items. We're now out on fiction as the highest  
priority. Of course there can be exceptions. If you have some-  
thing in fiction that is extra good and short, it might be  
used.

CHUCK YOUNG is to wish to receive THE MICHIGAN in the 1951  
year. The MICHIGAN is a very good magazine. It is a  
very good magazine and a good club with the exception of the  
MICHIGAN. The MICHIGAN has produced many  
of the best articles and stories and we also  
have the MICHIGAN in the year 1951.

MEMBERSHIP DEVELOPMENT. Sponsored by the Executive Committee and  
Chairman of the program, the MIDWEST CONFERENCE will be held at  
Indian Lake, Mich., May 15 & 16. This is near Bellefontaine, Ohio.  
This should be well worth while for all Michigan fans, as it is only  
about 100 miles from Detroit. Last year's conference, in Bellefontaine,  
Ohio, was very successful and you know, you and others from several Michigan  
clubs were in reported to be happy and better. Will you  
try to get a number of Detroit's area from the going. Last year  
I had reports of a very good time. If you can't make the  
local conference this would be a good second best.
