

THE

MICHIFAN

The Michigan Science Fantasy Society's bulletin, published by Martin E. Alger, MSFS President, 118 N. Center St., Royal Oak, Michigan.

THE NEXT MEETING will be Sunday, March 9th, 1:30 PM, at the home of Alice Oman, 22415 Milner Road, St. Clair Shores, Mich. Phone Prescott 5-1590. For those who drive, here is how to get there. Going out Jefferson, Milner Road is just before the Eleven Mile Road and you **turn** right off Jefferson. Her place is upstairs over a Real Estate office.

For those going by bus here are the directions she gives-

"People can

get out here on the Lakeshore Bus Line. They can get a green bus marked Jefferson Beach either at Grand Circus Park or anywhere along East Jefferson, then transfer to a Deanhurst bus at either the City Limits or Jefferson Beach."

LAST MEETING was at the home of Gordon Black, as only six persons came nothing was done in the line of a formal meeting. In spite of- or was it because of?- this, we had an enjoyable bull session.

ACTIVITY PROGRAM A lot of you need credits, let's see you at the meeting with some material!

Martin E. Alger
MSFS President
