

THE MICHIFAN

is the bulletin of the MICHIGAN SCIENCE FANTASY SOCIETY, published by Martin E. Alger (Dir. of Pubs.) 118 N. Center St., Royal Oak, Mich. and run off on the AHMF\$3.75 mimeo.

NEXT MEETING will be June 22nd, Friday, at the home of Hubert Rossano, 18243 Pinehurst, Detroit. Time will be 7:30 PM. This meeting will be your last chance to get a set of the NORWESCON photos, I have just a few sets left. Also this MICHIFAN marks the end of my term as Dir. of Pubs. I'm resigning as of this meeting, George Young will then take over the post. 6/22/57

In the first place I'm about to leave for Mackinaw City for the Summer and it would be inconvenient to continue publishing the MICHIFAN due to the distance and correspondence involved. In the second place, I'm somewhat disgusted by the lack of cooperation I've received from the membership. I was elected Dir. of Pubs. April 4th and since then, despite repeated requests, I have not received a single item of any sort for use in the club fanzine. I wouldn't mind editing and helping publish the zine but damned if I'm going to write it all too!

LAST MEETING was at the home of Bennett Sims, at this meeting George Young was elected to fill the post of Dir. of Pubs. He states he will only put out the MICHIFAN, not try to publish a clubzine too. At the meeting Norman Kossuth showed movies, including color films taken on his recent trip to the West coast.

To all you BEMs I say, farewell and LONG LIVE THE INSURGENT ELEMENT!
