NEXT MEETING The next meeting of the MSFS will be at the home of Roger Sims, 16880 Fairfield, Detroit. Phone UN 3-6523. Time-- Friday, Feb. 15th, starting at 8:00 PM.

LAST MEETING The last meeting was held at the home of Agnes Harook. At this meeting the following officers were elected; President- Martin Alger, Vice President- Roger Sims, Sec-Treas.- Agnes Harook, Editor- Nancy Moore, Art Editor- Ed Kuss. Two items of business, other than the election of officers, were voted at this meeting---

MUTANT REVIVED Publication of THE MUTANT, fanzine of the old MSFS, will be resumed in the near future. For the time being it will be published bi-monthly and will have a minimum of 12 pages per issue, though we hope to exceed the minimum number of pages.

ACTIVITY REQUIREMENT PROGRAM Starting with this next meeting, an activity requirement program will go into effect. The idea of this program is this, in order to remain in the club each member will have to earn 4 activity credits per 8 week (4 meetings) period. Any member failing to earn 4 activity credits in a 4 meeting period will be dropped from membership. The only exception will be that the President may rule that the member be retained, if the member meets the activity requirements by the next meeting. In other words, the President may extend two weeks grace. This two week period may not be exceeded except in case of real emergency, such as serious illness, death in the family or similar reason.

Any member dropped for failure to meet activity, must, to rejoin the club, make up the credits due at the time said member was dropped. Membership will be considered to begin at the time the activity is turned in to the proper club officer.

Activity credits will be granted as follows---

One page ($8\frac{1}{2}$ x 11) of fiction, article, poetry, illustration or similar material contributed to a club publication, will earn one activity credit.

Cutting one full page stencil will earn $\frac{1}{2}$ credit.

Mimecing one page (100 copies) will earn $\frac{1}{2}$ credit.

Credit will be granted for various other tasks, such as addressing and mailing club publications, production of photos, films, recordings etc for club purposes and for various other club projects under consideration. The schedule of credits for such activities will be discussed at this coming meeting.

If any of you think I'm kidding about this activity program, you're kidding yourself. In the next few months we are going to have either an active club with a fanzine or a club with about one or two members! Haw! I'm all set, publishing THE MICHIFAN will about make my credits and I can just bounce you out one by one as you fail to make your minimum credits! Who will be the first to go?

Martin E. Alger
President MSFS
