

THE MICHIGAN SCIENCE FANTASY SOCIETY

Another newsletter-type-thing for November, 1968, for MISFITS & other beings

Writ by typer once again by your beloved Secy-Treas, Sandy Shapiro, whose address appears elsewhere, probably in the vicinity of the return address area of this bit of death defying prose.

If you lived through the last disaster, better known as the monthly .. Misfit meeting, you certainly is a wizz kid. But let's not get discouraged over a few little disagreements that went on "out loud" amongst near and dear friends. Let's have another meeting, and all of us bystanders supply the zap guns and let them wipe each other out intelligently.

Said meeting to occur on a lovely Sunday in November, the ~~twelfth~~ ¹⁷ day of that month, to be exact, at 3:00 PM., in the home of Mr. Norman Grenske, 591 Shoreham Road, Grosse Pointe Woods, Michigan. A cartographic catastrophe is, as usual, provided below. And when you have used it to become completely and hopelessly uncertain of your whereabouts, you may call the clan Grenske at TU-1-5763 for directions guarenteed to do something.

I have been asked to announce, and hereby do announce that one Howard Devore wishes to withdraw his resignation as our sacchrine president, sweetly.

And now, kind readers, this is Sandy, signing off. Doing this typing and stuff with an election going on has a frazzling effect on the nerves. And not wishing to commit mass murder, nor having the time to visit you all personally for that purpose, I shall turn the remainder of this stencil over to my roommate, Hal Shapito, for an exiting and stimulating finish - varnished.

But, before I do let go of the composing stick, permit me to invite the fans who are so unhappy with the election results (whatever they are) that they contemplate suicide, please do so at our next meeting. The scheduled program is very uninteresting.

ANNOUNCING: the distinguished winner of our tri-annual, "Sucker of the month" award. It is Richard the Schultz who is donating his house as the site of the annual Misfit New Year's Eve soiree. The Schultz house is on the east side of Detroit at 19159 Helen St. Since this is a New Year's Eve party, it will necessarily take place on the twenty-eighth day of December, 1968, from about 8:30 PM, onward toward the hour of high noon a day or so later. It would be appreciated by the Schultz enclave if you would notify Kind Richard

at TW-1-3378 of your intention to attend. Some form of refreshment and sedation will be provided by your host, but additional nourishment and debilitating potables would insure your welcome. Remember, the BYOB on many fan-type invitations means, "Bring your own bottle."

Among the many happenings at our October meeting (we'll not mention the abortive attempt of our president to do away with his official self) were: 1) Doris Amerman appointed to take some semblance of minutes in order that the resumes in these newsletters be based on something other than imperfect memory; 2) a voluntary contribution of 25¢ per meeting is asked of all attendees which will go to that meeting's host to help defray refreshment cost; 3) blood shed was averted several times; 4) hay or sleigh ride in the works for a time in January of 1969. If you wish to ride on hay or snow and are unable to attend the next meeting, please call Hal and Sandy at WE-4-6683 for information and arrangements.

Answers to next year's Quetzalquest:

- 1) Perhaps.
- 2) Certainly.
- 3) Undoubtedly.
- 4) Indecently.
- 5) Incandescently.
- 6) Outwardly.
- 7) Sir Winston Churchill.
- 8) If we are going to do anything constructive in 1968, this is the year in which to do it.

THE ALBANY SOCIETY

Dear Sir: I have been very pleased to hear from you and hope you are well. I am writing you in the hope that you will be able to help me in my search for a certain person.

I have been through the Albany Society and have been unable to find the person I am looking for. I have been told that you have a very good knowledge of the area and I am sure you will be able to help me.

I would be very grateful if you could let me know if you have any information that might be of use to me. I am sure you will be able to help me in my search.
