

ITS PETERBOROUGH IN '63!

When one says that "this year's Convention was the best I ever attended" folk are apt to look knowing and, at the same time, slightly disbelieving. When I say it about the one just past in Harrogate, I mean it. Apart from all the people who were there that I hadn't met before the seal of success was put on the proceedings for me by the fact that for the first time in BritCon history there were two bids for next year's Convention. Just think about it. Hitherto we have had to sucker someone into speaking up with all sorts of devious tricks.

I also found it heartening that the successful bidder went round collecting memberships and, to my certain knowledge, went home with a total of at least 40. This too is something unheard of. I hope it is just a beginning of the interest that should be shown in our Regional Conventions every year. It would be a pity to see such a good beginning go for naught in the following years.

Memberships in the 1963 "PeterCon" are encouraged for the fee of 5/- in the U.K. and, to facilitate mailing, \$1 U.S.A. &/or Canada. These amounts will be deducted from the full registration fee if you attend and we hope as many of you as can will do so. All subscriptions should be sent to:-

Ken Slater,
BSFA ConCom. 1963,
c/o Fantast (Medway) Ltd.,
75, Norfolk Street,
Wisbech.
CAMBS. ENGLAND.

This is going out as a flyer with ORION 29. My apologies if the dapering is a bit out. I notice as I'm typing that the stencil has become somewhat wrinkled while in the typer.

Don't delay. Get your memberships in NOW and make it that much easier for your ConCommittee to do good work on your behalf.

Thankyou.
