directory  
of 1957 S-f  
fandom.

Ron Bennett here....

Two years ago I put out through OMPA a DIRECTORY of ANGLO-FANDOM covering the year 1955. It was suggested at the time that it would be a good idea to keep the listing up to date by making the DIRECTORY annual, and last year I put out a second and enlarged edition, which covered the addresses of science fiction fans throughout the world. At the time, I suggested that I might put out a further edition this year and here it is.

As I pointed out last year, whilst this listing puts at a ready availability the not-so-well-known addresses of fen thousands of miles away, it is necessarily fallible in that fen who might be extremely active locally but not known outside their local group are not listed. This year, too, I've tried to keep up with several wandering fen. I've tried to list country names in all cases and I hope I've not only corrected the errors I made last year (Speer, McPhail - you there?), but that I've made none this time. I do apologise for any mistakes, typos and/or incorrect classifications.

Again, I'm greatly indebted to the fans who have helped in the production of this issue: Bill Harry for his cover, Dave Newman for his stencils, paper and duplication, and fans like Archie Mercer and Bob Richardson who have kept me informed of address changes.

Once again I've chopped deadwood as far as possible. The fans listed are those who have been known, to me, to have been active during 1957. Those who are listed as ex-active parted company with fandom during 1957.

Classification abbreviations are as follows: A...Active Fan; XA...Ex-Active; P...Professional interests; S...Serving in Forces, home address; SS...Service address, the validity of which is always doubtful and liable to change without notice; z...This fan has changed address during 1957; @... Include on your lists for sample fanzines, convention news, etc., B.N.F., and/or the backbone of S.F. Fandom.

Next year? Well, again I'll have to wait and see. Even though I've included a scant listing of the most regular 1957 fan magazines, I feel that the DIRECTORY has possibilities in lay-out and listing which I've not even begun to tackle. For example, Archie Mercer suggested that spaces be left periodically in the listing so that fans can insert address changes during the year, as they come to notice. Gregg Calkins has, in FAPA, mentioned the possibility of a Who's Who listing, which could be incorporated with the address lists, and I myself feel that telephone numbers should be listed as integral parts of address lists, as long as Dean Grennell's 3a.m. ordeal is not repeated as a result. In Britain certainly, with the advent of reduced rates per rata, this could be used advantageously. If there's anyone with the enthusiasm to tackle the project fully, I'd be only too willing to hand the DIRECTORY over to him. But do inform me. I'd hate to clash. Meanwhile, however, I would be grateful if I can be kept informed of any address changes, and I hope that this DIRECTORY is of use to you. Regards, *Ron Bennett.*
