

**Liz's Hugo Reading Checklist** is actually courtesy of Jeff's surfing the net for me and getting the info from whatever web pages contained it. I formatted it into a spiffy checklist format. The list is in chronological order, I have left duplicates between the Hugos and Nebulas in their respective years, and the '>>' means that the item won the award that year. I hope others find this as useful as I will. Being published as part of SFPA 204 by Liz Copeland, 1085 Albion Rd., Boulder CO 80303. Done 7/24/98. Oh, yea, this is a list of the novels only.
