

SFSFS SHUTTLE

The Official Newzine of the South Florida Science Fiction Society

Special Blitzkrieg Issue!

(fanhistorical reference for the old phannish pharts like me!)

Because of his workload, family activity and problems with his computer, Bill Wilson was unable to get the Shuttle out in time for the meeting. Therefore you get this special meeting notice issue of the Shuttle from Joe Siclari, very temporary editor. If it's wrong, it's my fault. Too bad.

Announcing the publication of *The Enchantment* by Walter A. Willis. This is Walt's trip report about his travels to Fort Lauderdale for TROPICON VII. It is filled with interesting views of American traffic, exploring supermarkets, fannish anecdotes— all entertainingly written and done in Walt's always "serious" manner. *The Enchantment* should be right there with his previous travelogues. It is illustrated by Lee Hoffman, Alexis Gilliland, Gail Bennett, and Arthur Thomson (Atom). This is the final Tropicon VII publication and is available free to all Tropicon VII members at the next 3 SFSFS meetings or you can get it by mail by sending \$1.00 to cover postage to the SFSFS PO Box. Non-Tropicon can get copies @ \$4.00 at meetings; add \$1.00 postage if you order by mail.

The **Second Annual Traveling Fete** will be held July 21-23 in Gainesville, FL. This is the SFSFS relaxacon where we can all get together and enjoy some time with our Guests of Honor Joe & Gay Haldeman. Membership: \$15.00 until 7/1/89. Mail your check made out to SFSFS to the SFSFS Treasurer, 4427 Royal Palm Ave., Miami Beach, FL 33140 now so we can tell you all about the special events scheduled for the Fete.
