total for SFPA #77

406

Pages Owed - Atkins 3; Frierson 4; Spanier 4; Wells 4 Tsk all!

Arrived - JoAnn Montalbano, that perky, silly, purple hazer from New Orleans. WELCOME to you and your half-burned zines!

Dropped - Doug Wirth, with nary a word or illo. Sorry Doug, hope you come back.

Invited - Cecil Hutto and Cliff Amos can become SFPAnS in the 78th mailings by sending in 4 pages and \$2.

Not Heard From - Joe Celko did not send pages or money, so he's passed by.

WAITLISTERS - A good many did not reply to the 00 last month, be careful and don't get erased like Wade Gilbreath. While I was a tad easy this mailing, I do not consider a zine from a third party as a reply to the 00. If you send the zine, fine, but if a member or another wler ships it, I insist upon some notice from you also.

Also please note that there are still three copies of this mailing (#77) to be had for \$2 from waitlisters. All five extras will be sent out June 17th if everyone else receives their mailings and they are available.

There are a number of COAs this time, so be sure to check them. Alan and Rosie Hutchinson are moving into a house and will be sort of intransit in the month of June, but you can reach him if need be at his parents' address, listed on the roster.

Also, please check your names and addresses to make sure I've made no error in transcribing. It's been a while folks.

I came within a hair of rejecting Lester Boutillier's God Damn The Pusher Man in this mailing for illegibility, but since most copies were bearly readable... Next time no mister nice guy!

I've decided that I will hold the membership of SFPA at 27 members through next mailing and allow the new OE to inflate or deflate the number of members to his or her liking. Basically I believe that such a recent ruling by Stven should be reviewed by the new OE and let him set the policy. There also has been enough grumblings about dropping out of SFPA and potential non-waitlister interest that this might not be such a good time to expand. We'll see.

SHADOW SFPA - has materialized this mailing and co-conspirators Beth Schwarzin and Larry Epke should be congratulated for their efforts. All waitlisters contact either of them for further info.

And to answer Ned Brooks' question (The New Port News #49, this mailing) concerning members contributing to the project; any material which appears in Shadow SFPA prior to the deadline will be considered to have "previous distribution" and therefore not count towards page credit.

And speaking of previous distribution, I'm assuming that PELF #13 (this mailing) has had no prior distribution, Dave and Dave. A nod will do.

DEADLINE for SFPA 78 is AUGUST 4, 1977!! 32 copies of all zines!

Please note the change in the deadline date. I will be on vacation from July 14 through August 4, so I won't be able to handle things until then. Don't try calling or sending me special delivery letters, cause I jus' won't be here. I will be at the San Diego Comic Con and hopefully seeing Lon and/or Dave and/or Dave, so I will accept zines while out there.

Also I'll be happy to hand deliver any mailings to people who attend the World/SunCon in Miami at the end of August. Let me know.

SFPA OE ELECTION

Please vote for one only! All ballots must be signed or they will not be counted. Deadline for ballots is July 13th, 1977. No ballots after that date will be good. Send ballots to: Gary Brown, 9423 SW 76th St. #W-11, Miami, Florida 33173.

Rules of the Southern Fandom Press Alliance

1. There are 27 available memberspots. Copy requirement is 32.
2. The minimum activity requirement is four pages of original material (no prior distribution except to contributors) in any two consecutive mailings. All four pages must be the member's own material; at least three must be writing.
3. Dues are \$2.00 per year (except when extended).
4. A couple may share a memberspot, paying one set of dues and receiving one copy of each mailing. Both must meet activity requirements; both may vote. Instant Membership, with full privileges, is available to spouses of current members.
5. To owe activity is Gauche. To miss a mailing is a Faux Pas.
6. Applicants for membership are added to the waitlist upon payment of \$1.00. This is simply a waitlist fee and does not apply against future dues.
7. A waitlister's failure twice consecutively to acknowledge receipt of THE SOUTHERNER will result in his removal from the waitlist.
8. The minimum activity for a new member in his first mailing is four pages of material as defined in Rule 2.

Income from sale of surplus stock	+10.00	dues are once more necessary, so
Outgo for postage on mailings	-11.70	cough up \$2 Ned Brooks! While I
Outgo for other postage	-6.38	will take orders for back issues,
Outgo for jetpacs	-1.43	none can be sent until transferred
Outgo for printing	-1.50	from Stven to the new OE in August.
Balance carried forward to Mlg 77	\$54.02	You'll have to wait.

GBEO SPEAKS - Basically what I'm going to try to do with my two mailings as the SFPA Emergency Officer is to continue Stven's policies and be as fair as possible. We will vote on the new OE this mailing, the results will be announced in mailing #78 and the new OE will handle the 79th mailing. Alan Hutchinson is the only candidate, so you've got him and Write-In to ponder over.

Deadline for SFPA #78 is August 4, 1977! 32 copies! Lotsa' stuff! Si?
