The week or so delay of this mailing as well as the shoddy repro of egoboo ballots and Locke's zine are all due to my own crowded schedule and general procrastination. Ah well, you'll only have to put up with my shortcomings for one more mailing, then someone with more time and enthusiasm can take over.

The deadline for the June mailing is June 10th, same as usual. Send 20 copies of your zines to Bill Plott, P. O. Box 654, Opelika, Alabama. Please be sure to send them to my Opelika address, and NOT my school address. I'll be leaving here sometime around the end of May and returning home, so send the zines to Opelika where I'll be.

As I emntioned in Spore, I'll probably be working for a newspaper this summer, possibly The Atlanta Journal. If I am and if I am required to report to work before the mailing is due to be posted, I'll make sure that all incoming SFFA material is forwarded to me at my Atlanta or wherever I am address.

Okay, it's time to nominate someone for the new OE, who will take over officially with the September 1964 mailing. Jim Harkness and Joe Staton have made a proposal that they be allowed to serve as co-official editors, alternating the mailings between them. That set is quite all right with me if one of them will arrange for a person over 21 years of age to serve as treasurer. Despite Dave Locke's implicit trust in me, I'd prefer to turn the SFFA treasury over to the ~~new OE~~ or to someone who will be responsible for it. With time shortage being the problem that it is with me these days, I don't want to be in a position where inaction or lengthy delays on my part could gum up the works of the apa.

Okay, the floor is now open for nominations. It is quite permissible for one to nominate one's self for OE. Please get the nominations in to me by May 1. That will give me time to notify the candidates and allow them to prepare their platforms. The ballots will be included in the June mailing. After the ballots are tabulated, the results will be sent out in a regular form letter to all members. It will be the new OE's responsibility to get the information about the September mailing out to the members of the group.

As far as I know, that is all of the business for this mailing.

Meeting adjourned.
