### *Miscellaneous Business & Errata*

Because Norm called ahead, and in order to save his membership, and because I'd like him to get caught up as soon as possible, and because of an accounting error (I'll explain in the next full OO) I realized we have plenty of money in the kitty, I suggested I postmail this zine. So here it is. We all hope Norm's health problems will get better soon. See everybody in the pages in a bit.
