MISCELLANEOUS BUSINESS

Before the deadline, Guy and I discussed the possibility of including Challenger 15 in the mailing. We realized that the simplest way to do this, given the mail delays that were becoming apparent, was to make it a post-mailing. You now hold that post-mailing in your hand.

The deadline for SFPA 225 is:

Thursday 31 January 2002

(with institutionalized slop to the following Saturday)

Send **26** copies of your zine to
