Dues received (Ackerman, Brown, Lynch, Markstein @ \$15/each; Strickland, Wells @ \$43 each)	+150.00
Balance before mailing 233 sent out	\$314.00

MISCELLANEOUS BUSINESS

- ☛ When you **overnight your zines**, please remember to sign the little "no signature required" box. There isn't always someone home to sign for them.
- ☛ Note that the "**SE**" in the OE's address is **vital**: there is a 165th Avenue Northeast in Bellevue, too, and confusion is worth two days at the post office.
- * Note that the OO doesn't get printed until Saturday afternoon of deadline weekend. The mailing doesn't go to the post office until Sunday afternoon or Monday morning. As long as your zine gets to me by Saturday's mail delivery you're guaranteed to make the mailing. In other words, no matter which Thursday is the statutory deadline, the **effective deadline** is the following Saturday.
- * As usual, I will put the table of contents from the mailing and contact information for me up on the **web**. See <http://alumni.caltech.edu/~copeland/sfpa>, for the time being until Steve Hughes and I can get our act together to take the show on the road.
- * We have a slightly thin mailing. Spring, clearly, has distracted us all. We missed Steve, George and Eve this time. Eve even admits she doesn't have a good excuse.
- ★ This month's masthead is a view off the top of the world. It's a fragment of a 360-degree panorama taken from Mount Everest. Also visible are Kanchenjunga (28,210 ft) in the far distance at the left, Makula (27,806 ft) just above the "S", and Lhotse just visible on the right side. See <http://antwarp.gsfc.nasa.gov/apod/ap020723.html> for the full thing.

SFPA ROSTER AND WAITING LIST NEWS

As usual, copies of *The Southerner* will go to **Robert Lichtman**, PO Box 30, Glen Ellen CA 95442, and **Arnie Katz**, 330 S Decatur, #152, Las Vega NV 89102.

THE RULES OF SFPA

1. The membership limit is 30; we will reinstitute a waiting list when we reach that point. Copy requirement is two more than the current roster count.
2. Minimum activity is 6 pages of original and personal writing and/or artwork in every two consecutive mailings.
3. Dues are \$15 per year. Dues are payable by the deadline of the mailing listed by each member's name. Failure to pay dues on time can result in the OE holding the mailing until dues are paid. An envelope addressed to the OE is included as a gentle reminder in the mailings of those owing dues, though it is not necessary to return your dues in that particular envelope. (Please be so kind as to make your dues check out to me, since our bank has stopped being cooperative about depositing checks made out to SFPA.)
- 3a. Dues may also be paid at a rate of \$43 per year to receive the mailings by Priority Mail. For those opting for Priority Mail delivery, dues may be paid in two installments, and your dues date will be extended three mailings. (Currently Dengrove, Larson, Lillian, Strickland, and Wells are receiving their mailings by priority mail.)
4. 'Small, podgy, and at best middle-aged, he was by appearance one of London's meek who do not inherit the earth. His legs were short, his gait anything but agile, his dress costly, ill-fitting, and extremely wet. His overcoat, which had a hint of widowhood about it, was of that black loose weave which is designed to retain moisture. Either the sleeves were too long or his arms were too short, for ... the cuffs all but concealed his fingers. For reasons of vanity, he wore no hat, believing rightly that hats made him ridiculous.'
5. It costs \$5 to join the waiting list and an additional \$3 annually to remain on the list. Waiting listers must respond to the OO at least once every other mailing. Mailings are available to waiting listers and other interested parties for \$5 each on a first-come, first-serve basis.
6. Cohabiting couples can share a membership slot. Each member must meet minac and each has a vote. But they share one mailing and just one set of dues is required.
7. As expounded in SFPA's constitution, the contents of each zine are the responsibility of the contributor, not the Official Editor, who doesn't actually exercise any editorial control, but only acts as a distribution agent.
8. Always read *The Southerner* or you may not know what changes the OE is making, or miss the opportunity to make fun of him for cutting and pasting too many items from November's "Miscellaneous Business" section into January's.
