# Is there any of Nancy in here?

% Your guest mcer is doing more than you are.

As for the rest of the zine, they may not all be legal, but in order to check I'd have to read them all and there just isn't the time. Maybe I'll do that for the next mailing.

DEADLINES - January 15, 1974 - Mailing  
 - December 1, 1973 - Notify Seth for OE election  
 - January 1, 1973 - Waiting List Notification

Have a Nice Thanksgiving / A Merry Christmas / Happy Hanukkah / Happy New Year

**MEMBERSHIP:** Limited to 30 members. Couples may share dual membership, with separate activity/credit requirements and voting rights. One set of dues and mailings.

**ACTIVITY:** Each member must furnish 6 or more pages of original material (prior circulation will not count toward the members needed page requirements) in any period of two consecutive mailings. 5 of the 6 pages are to be the members own work, and at least 3 pages his own writing. One page of art work by someone else will count as your own work (a cover, for example). 35 legible, identical copies are required. The deadlines are quarterly. The 15th of January, April, July and October. UNLESS the OE says differently.

Postmailings or premailed zines will not be counted as creditable pages.

A NEW MEMBER must have at least 6 pages in his/her first mailing.

**DUES:** \$2 per year, payable before the deadline of your last paid-up mailing, as listed next to your name on the roster. The OE may make special assessments if necessary, or grant free dues when the treasury allows.

**WAITING LIST:** When no openings exist on the roster, applicants will be placed on the waiting list. They must pay a \$1 fee to be placed on the list. The \$1 applies on the first years dues, but is not refunded to drop-offs. Waiting listers receive the SPECTATOR quarterly, and must respond to each issue by card or letter by their deadline (the 1st of January, April, July and October). Upon being invited to join, a Waiting Lister must contribute the remaining \$1 dues and 6 pages minimum activity requirements before the mailing deadline.

Waiting Listers may not put a zine into the mailing while on the Waiting List, unless that zine is "franked" with a regular members zine.

Wives/Husbands of members can become "Instant Members" by doing a zine of their own. See activity requirements.

**CHANGE OF ADDRESS:** Under no circumstances should any member expect the OE to look for a COA in zines. Be sure to notify the OE by card, letter or a note with the zines if you want your mailing. The PO may not get it to you otherwise.

**OFFICERS:** The Official Editor (OE) is elected in the January mailing and assumes control after the April mailing. The OE does all the work, gets all the glory/blame and makes all the rules. The OEs decisions are final, short of Total Insurrection. Emergency Officer (EO) is responsible for doing the OEs work in case of emergency. The OE may appoint other officers as needed, and that the President is ALWAYS the top winner in the latest Pillar Poll and that all members not holding any other office are automatic Vice Presidents of SAPS.

**EXTRA MAILINGS:** Are for Sale! \$1 each from the OE, just write and ask. We also have 40 zines (OEs choice) of scattered goodies from mailing 95 to date. All those extra zines members send.

**PILLAR POLL:** Ballots are distributed with the January mailing and the results are tabulated in the April mailing. On these ballots we elect the next OE and vote points toward the egoboo of our favorite SAP. The SAPSmember with the most points is President of SAPS for the next four mailings.

**MORALS:** It is I\*M\*M\*O\*R\*A\*L to miss a mailing!

It is very M O R A L to have at least 6 pages in every mailing.

\* Or there about - IF you know of anything that has been left out, please let me know. As Roger told me yesterday - that information is porbably on the back of a poster that's in the second grade.

## LEAF

Comes and goes. Leigh wrote and said that he likes getting his mailings AIRMAIL so much that he might be able to spring for the postage every so often. Wouldn't it be great if we could work out something that would be every-other-time? Sort of an US-him deal.

Anyhow, last time LEAF had \$4. The mailing was slightly more than that. (Those records are presently buried but it seems like it was about \$7 and it took me almost a week to bring myself to spend that much.) At present we have \$2 on hand for that fund, which would leave us just \$1 in the hole.

Seth McEvoy is running the ballot/election this time. If you wish to throw your typer into the ring for OE let him know so he can put your name on the ballot. Better let him know by December 1st so as to give him lots of time to do the ballot and get it here to us.

Just look at the last two mailings if you want to know who/why of the notice to all V.P.s of SAPS. As I tried to say, you know who you are - get busy and make your zines NEAT & READABLE!

LET SETH McEVROY KNOW IF YOU WANT TO RUN FOR O.E.

DEADLINE for next Mailing - January 15, 1974 or 1/15/74

NOTICE TO ALL V. P. s:

are you

GUILTY ?

This is your first, last and only warning W\*A\*R\*N\*I\*N\*G !!!!!  
With SAPS mailing # 106 there will be heavy penalties laid about  
the head and typer and reproduction method of any member that sends  
in a zine with pages that cannot be read.

I will say right now that the working (notice I said working -  
not a hard and fast rule) penalty will be 2 pages for every page  
or any part of a page that is unreadable. These two pages will be  
clear and easy to read and in the next mailing.

P L E A S E don't play it smart and try to send in messy, light  
or in any way unreadable pages for that or any following mailing just  
to tease or test. You will be sorry!

The rules are quite clear. The last couple of mailings we have  
let some go by in hopes that all would be cleared up without having  
to get nasty. And I do hope that I have wasted time and effort in  
putting this into the mailing.

WE WILL HAVE THE CORRECT NUMBER OF ZINES AND LEGIBLE ZINES FOR EACH  
MEMBER IF THEY WISH TO STAY A MEMBER!
