DEADLINES Mailing / July 15, 1974

Waiting List / July 1, 1974

RULES OF THE SPECTATOR AMATEUR PRESS SOCIETY

/ SAPS /

MEMBERSHIP: Limited to 30 members. Couples may share dual membership, with separate activity/credit requirements and voting rights. One set of dues and mailings.

ACTIVITY: Each member must furnish 6 or more pages of original material (prior circulation will not count toward the members needed page requirements) in any period of two consecutive mailings. 5 of the 6 pages are to be the members own work, and at least 3 pages his own writing. One page of art work by someone else will count as your own work (a cover, for example). 35 legible, identical copies are required. The deadlines are quarterly. The 15th of January, April, July and October. UNLESS the OE says differently.

Postmailings or premailed sines will not be counted as creditable pages.

A NEW MEMBER must have at least 6 pages in his/her first mailing.

DUES: \$2 per year, payable before the deadline of your last paid-up mailing, as listed next to your name on the roster. The OE may make special assessments if necessary, or grant free dues when the treasury allows.

WAITING LIST: When no openings exist on the roster, applicants will be placed on the waiting list. They must pay a \$1 fee to be placed on the list. The \$1 applies on the first years dues, but is not refunded to drop-offs. Waiting listers receive the SPECTATOR quarterly, and must respond to each issue by card or letter by their deadline (the 1st of January, April, July and October). Upon being invited to join, a Waiting Lister must contribute the remaining \$1 dues and 6 pages minimum activity requirements before the mailing deadline.

Waiting listers may not put a sine into the mailing while on the Waiting List, unless that sine is "franked" with a regular members sine.

Wives/Husbands of members can become "Instant Members" by doing a sine of their own. See activity requirements.

CHANGE OF ADDRESS: Under no circumstances should any member expect the OE to look for a COA in sines. Be sure to notify the OE by card, letter or a note with the sines if you want your mailing. The PO may not get it to you otherwise.

OFFICERS: The Official Editor (OE) is elected in the January mailing and assumes control after the April mailing. The OE does all the work, gets all the glory/blame and makes all the rules. The OEs decisions are final, short of Total Insurrection. Emergency Officer (EO) is responsible for doing the OEs work in case of emergency. The OE may appoint other officers as needed, and that the President is ALWAYS the top winner in the latest Pillar Poll and that all members not holding any other office are automatic Vice Presidents of SAPS.

EXTRA MAILINGS: Are for Sale! \$1 each from the OE, just write and ask. We also have 40 sines (OEs choice) of scattered goodies from mailing 95 to date. All those extra sines members send.

PILLAR POLL: Ballots are distributed with the January mailing and the results are tabulated in the April mailing. On these ballots we elect the next OE and vote points toward the egobee of our favorite SAP. The SAPSmember with the most points is President of SAPS for the next four mailings.

MORALS: It is I-S-H-A-M-E to miss a mailing!

It is very M O R A L to have at least 6 pages in every mailing.

* Aust. Air Mail (\$8.55 / Land Mail \$1.70 minus LEAF \$3.00 gives the above price) LEAF rec'd \$1 this past mailing which leaves the Leigh Edmonds Air Mail Fund just a mere \$2.85 in the red as of last mailing and here we are again about to go to the PO with a new mailing and the rates have been raised.

NOTICE

This is to let any interested in back mailings know that no matter what it says on the rules page (that is an old page and will be retyped before the next mailing) the price/cost of back mailings have gone up. As has the cost of everything.

At this very second I cannot say for sure wether it will be \$1.25 per mailing or \$1.50 per mailing. I have not sent a mailing out since the last postal raise. If you faunch for back mailings write the OE and ask which mailings are gathering dust in the basement and how much said mailings will cost you at the current going rate.

THANKS

We would like to take a little bit of space here in the OO to say Thanks for the re-election. Are you all sure you know what you are doing?

\$\$ QUESTION

There has been some talk about the need for raising SAPS dues. Due to the rising cost of everything. But as things stand right now, we seem to be holding our own. We are going to raise the cost of Back Mailings by either 25¢ or 50¢. This depends on the Post Office. And if gas keeps going up all these extra trips are going to be an added charge.

How do you as a VP feel about this ?
