THE MEMBERSHIP ROSTER

The following is a current list of the members of SAPS. New member's name is in capitals, like JIM O'MEARA. The number after your address is the last mailing you receive under your current membership. According to the old rules, you were allowed to pay renewal dues any time up to the deadline of your last mailing; but the new OE may have different ideas -- like, if you have a "52" in this place, get your dues in FAST! Take no chances.

OBITUARY

Bump.#3.....Don Durward.....?.....lost

Poor Don; your package came to me containing a Photography, May 1960; I have hounded the Terminal Annex, but they(Bumps)have not been found. Evidently some package contents were switched, since you say you never sent me any photomag. Check with the LA PO; they may be saved yet. But next time, you should probably use an anchor clasp envelope.

THE WAITING LIST

The following people are waiting in line for invitation into SAPS. Each waiting lister must inform the new OE: Richard H. Eney, that they have received this Spectator and desire to become a member of SAPS. Under the old management, I would loosely and lasciviously allow you until May 1st to get this acknowledgement in my hands. But new OE's have a reputation for being power-mad, so Eney may not be so lenient. Which means, you better write to him right now, or phone him, or -- oh, well, that's YOUR problem.

Since last mailing, O'Meara was invited in, Trimble is an invitee, Mills was dropped, and Karen Leafgreen has been exposed as a hoax by Doreen Erlenwein; like, it's really Doreen, not Karen, who rec'd Karen's mail through her Uncle's place in Ohio. Tolliver also dropped.

THE SALE OF WAITING LIST BUNDLES has gotten completely out of hand. About a dozen orders for mailing #51 were received. Awarded #51 bundles are: Erlenwein, Gerber, Bergeron, Rike, Anderson and Breen, for various reasons, reasonable and unreasonable.

After mailing #51 has been mailed out, the treasury balance (less the costs of mailing #51) will be shipped to the new OE. ALewis made a suggestion that I send the bundles 2nd class, to save postage; but as long as we're rich rich rich, we can afford Parcel Post, which is twice as fast anyway.

--- and now for the usual scrawled deadline announcement. I admit that it looks like the devil, but by George, this way it gets NOTICED:
