Far removed from all the shouting and controversy of the US Fan Achievement Awards, the BSFA has instituted what may become, in a smaller fashion, their British counterpart. Namely the Doctor Arthur A. Weir Memorial Award. Any member of the 1963 Peterborough Con is eligible to vote and anyone (yes, anyone) can receive your vote.

Who, in the past three or four years, has published with some regularity such an interesting and consistently provocative fanzine as ORION?

Who has sacrificed many hours of her time to produce one of the foremost collections of fan art ever compiled?

Who has been such a completely unselfish hostess to virtually the whole of AngloFandom?

There is only one person who has done so much for British Fandom, and that is Ella Parker.

Ella deserves the Award as a recognition for her services, only a few of which have been mentioned above. Virtually everyone eligible to vote has some reason to be grateful to Ella, and your support for her might, in a small way, be an indication of your gratitude.

Send your votes to Terry Jeeves, 30 Thompson Rd., Sheffield II, Eng., of, if you wish to vote and are not yet a Con member, send five bob registration fee together with your vote to BSFA ConCom, 75 Norfolk St., WISBECH, Cambs., England.
