Well, it was a strange mailing. Only three people added to their totals, many took a dip in the Box Scores and Janet Larson advanced one position without contributing a page. Guy Lillian has petitioned to have Challenger count as his pages in the Box Scores. The official page counter has heard his appeal and it has been denied. Likewise, Jeff Copeland's zine of "quotes" will not be counted again. Remember, I can contribute daily Business sections from *The Palm Beach Post* with my work in it and go immediately to the Box Scores Hall of Fame. But we won't do that.
