Big, big doings here in the *Box Scores*, as Jeff Copeland finally comes down to Earth and is within conquering mode by several other members. Man, this is better than the last lap of a NASCAR race. Having to deal with a huge 95 page contribution seven mailings ago, Jeff wasn't up to the task, so his page count sinks to just above 35 ppm. But there was not a lot of movement close below him, just Guy Lillian posted positive gains and that wasn't much. Can Jeff maintain his lead? Can Guy get up over 30 pages again? Will Janice fall under 20 ppm? Does anyone read this?
