

(Fifth Annual) YANDRO EGOBOO POLI

Listed by categories below is the material which appeared in YANDRO in 1962. Voting this year is the same as the last time. Rate each item according to your own standards: A for excellent, B for good, C for average, D for poor, F for terrible. If you don't recall an item, or didn't see it, don't vote for it, but do vote for material you remember. Deadline is whenever I get tired of waiting for votes to come in, so don't hold off too long if you want your vote to be counted. NOTE: This poll is for the benefit of our contributors. If you want to be truthful, I don't much care what you think of our material; I publish what I like. But the contributors will appreciate knowing that they've pleased more than one person (providing, of course, that they have.....) RSC
