A FAN'S A FAN FOR A' THAT

Are you, when from the stands you buy
 Your favorite mag, an' a' that,
 Aware of cynics' silent smiles?
 You love your stf for a' that!
 For a' that, an' a' that,
 They laugh at us an' a' that,
 Their cranks and quips are naught to us,
 We stick to stf for a' that.

Though your collection overflows
 And floods your room, an' a' that,
 You'll oust your bed before you'll sell
 A single mag, for a' that.
 For a' that, an' a' that,
 You'll beg for more, for a' that;
 Though we go broke just buying mags,
 Our stf's our soul for a' that.

When they inflict fanzines on you
 And form new clubs, an' a' that,
 Though now you have no time for sleep,
 You'll string along for a' that.
 For a' that, an' a' that,
 We break our health, an' a' that,
 We couldn't bear to pass it up,
 A fan's a fan, for a' that!
