"AD-O-ZINE"

Vol. 1, No. 5 Sept-Oct. 1950

As I go to press with this iss  
I wonder if any of my readers ever  
done any business with a firm in  
Ironwood, Mich. Did you by any  
chance get what you ordered if you  
did ???

Thanks to the review of this zine  
by Hog Phillips, the circ. has just  
about doubled. The circ. was 225  
I now must print 425 at the time  
this stencil is being cut. I know  
I'll have to print more as the  
request for copies are coming in  
every day.

I wrote in vol. 1 no 4 that I was  
only going to print on one side  
of the paper or page. The cost of  
paper going up forces me to take  
that back, as you can see by this  
issue.

If any one wants to cut their own  
stencils, I'll place their ads at  
half price. Will take any amount of  
ads but they must be only one page  
in length. per ad.

Sorry I had to raise the price of  
the zine to 5¢ but but it just had  
to be done. All of those that sent  
stamps will get a copy of the zine
