## OBE's comments

### Membership

Best wishes to Womble, who has been in hospital recently for serious surgery. I think Gerald has been getting in touch with everybody by email to let them know how Womble is progressing. I can well understand that Gerald has very little time at the moment for contributing to ANZAPA.

Since I've had no word from Erika, and received no dues from her, I have to consider that she has resigned from the apa. I'm not even sure if the last address she gave me is still correct, but I will try sending a copy of this OBO to her.

Under normal circumstances, I would have had to consider that Lucy Schmeidler had resigned. However, she did get in touch, pleading extreme workload at the moment. However, she would have to make some reasonable contribution next time in order to prevent that little bomb from going off.

I seem to have taken over the apa at yet another period of declining membership. I'm not the kind of persuasive person who recruits people successfully, so I need suggestions about Australian, New Zealand and world fans who might be persuaded to join. I have spare copies of each of the last two mailings, and the ANZAPA coffers can afford for them to be sent out as bait to likely members.

### **Ancient ANZAPAns: Cover photo contributions still sought**

Please send your contributions to the Ancient ANZAPAns photo gallery for mailing covers. High res, please (150 dpi BMPs or TIFs, if possible), but on disk (my slow modem does not like 5 Mb files), or send the photos themselves for scanning and fast turnaround.

Jack might note that there is no prejudice for or against past members from any particular city or country. If I have to rely on my own resources, chances are that the photos will show people I know well. Make sure I do not have to rely on my own photos.
