Can you pick the fan?

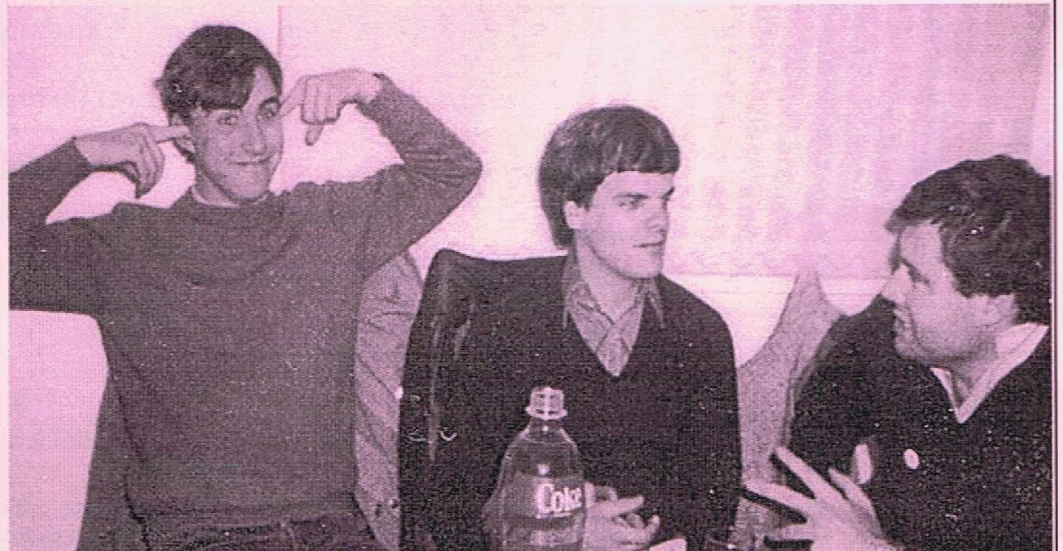

Thanks to Cath Ortlieb for the top photo, from Suncon 83. She can identify the following suspects. How many more can you name?

*Front:* Mark Linneman. *Second Row:* Derek Watson, Unknown male, Unknown female, Glynnis Chalmers, Allan Bray. *Third Row:* Greg Hills, Pauline Dickinson, Claudia Mangiamele. *Back Row:* Clive Newall, Robin Johnson, Lee Smoire, Carey Handfield, Roger Weddall, Steve Roylance.

Thanks to John Newman for the photo on the right:

*From left:* Tom Cardy (from New Zealand), Gerald Smith, and Terry Frost, at John Newman's place in Thornbury, late 70s or very early 80s.

## Cover photos

Thanks to those people who have responded to pleas for Photos of Ye Ancient Fans and Fanac. :: **Cath Ortlieb** put together some photos for Carey Handfield's 60th birthday, which happened (believe it or not) in December. At his birthday, one of those electronic panel slide shows of 'This Is Your Life, Carey' included the photo shown here. Please feel free to correct the names, or add to them. :: **John Newman** has sent me several photos recently, and promises more. Gerald Smith looks very young in this one! :: And **Joy Window**, well-known 70s Adelaide fan, has sent some great photos.

## Deadlines: OBE tetchy

**Please, please, stick to the deadline.** I realise that various members suffer life crises, but they forget that I have to fit what amounts to two days of work each two months in between deadlines of my own paying work. :: Even so, we still lack a contribution from **Murray MacLachlan** because of technical difficulties. Yes, he did send his contribution, but no, I could not print it. Le bomb still hangs over him.

## Many thanks, Marc Ortlieb

Many thanks, Marc, for putting together the first complete ANZAPA Index in many years, and making it available for all of us in the form of a CD-ROM. Now every time somebody asks a question about some ancient ANZAPA member or contribution, we can at last look it up for ourselves.

## Finances

A record participation rate in ANZAPA Mailing 258, plus ever-increasing postal costs, leads to the financial result listed here.
