Hey, what a twenty-first anniversary mailing!

Need this in your Business - Spec - 6

**PRESIDENT'S MESSAGE:**

This mailing is the general election and like that." Whatever the outcome, I'm glad to have served a year as Figurehead--er, President. Lots of fun and little work--unlike the office I'm running for.

Next mailing will see another, Special Election concerning the following amendment:

"RESOLVED, that section 4.1 of the FAPA Constitution be amended by addition of the words: 'Dues are \$5 per year for members with income in dollars and \$2 for members with income in other currencies.'"

The co-signers are: Dan McPhail, Dick Ence, Harry Warner Jr., & Bill Evans

As I'm sure everyone is aware by now, Vernon McChin is dead. He is the first FAPA in since to twenty years (since Singleton) to die while a member. Because of the respect we feel for Vernon, we are holding open his place in the membership roster for this mailing.

It's been a nice year; my best wishes to whoever succeeds me.

And the Teller, as I forgot to mention, is Chick Derry. Deluge him. --ted a white

**VICE PRESIDENT'S MESSAGE:**

Once again I must report that due to the marvelous work of the other officer's and the cooperation of the membership that I have had no work, made no constitutional rulings and set no precedents. May the next Vesp have the same enjoyable time in office that I have had!

--bob pavlat

**Additional from the Sec-treas:**

John Quaglieno has/is moving: 1753 East 26 St, Brooklyn 29, NY. The city changes/ed Stan Woolsten's address: 12832 Westlake St, Garden Grove, Calif.

Excuse, please, the lousy ditto in part of this mailing from me - I got ahold of a batch of bad masters.

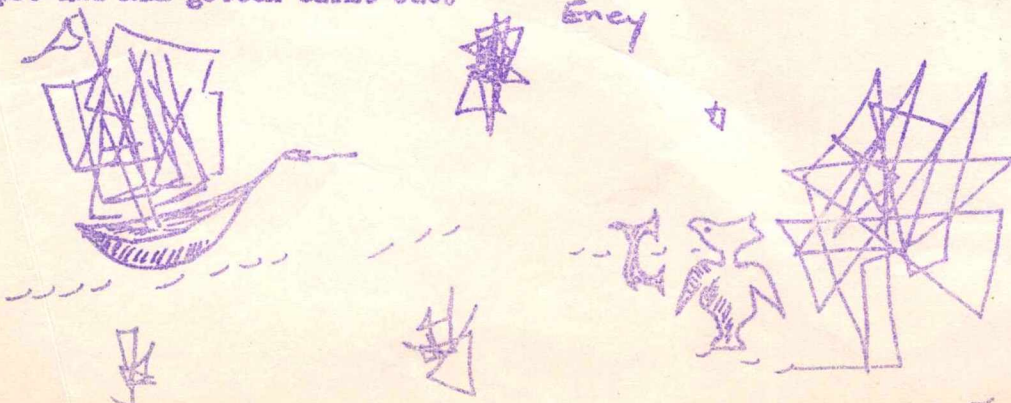

-Bill

**OFFICIAL EDITOR'S MESSAGE:**

Once again, you will see, Chick Derry got GLENN in just at the time we drove the last staple into the FANTASY AMATEUR; hence a revision of the contents of the last mailing. Strictly Chick's wrong-doing should qualify him for Casting Into Outer Darkness, but I can't see ruling a sprightly fannine like AJ out on a pedantry like that.

And isn't this a hell of a size for our twenty-first anniversary mailing, too? One would think that you people had ALL gotten burnt out.

# THE SECRETARY-TREASURER'S REPORT

1. The membership roster. The following list is current as of 1 August, 1958; additions and corrections, if any, will be found elsewhere in the FA. The month listed after your name indicates the month in which your present membership expires (i. e., the date of your last mailing). The number following indicates the number of 8 1/2" x 11" pages you owe, as of the above date, to satisfy your activity requirements for renewal. Credit has not as yet been given for material included in the current mailing.

Symbols appearing after the page count are: D - your dues of \$3.00 are due and should be paid not later than 8 Nov, 1958, to the next secretary-treasurer. \$ - your dues are due now; if you haven't already sent them to me, you are probably reading your last mailing for some time. A - warns that your activity requirements must be met before or in the next mailing, if you wish to renew your membership. ATM - you must have the pages shown as due in this mailing, or have already pre-post-mailed them, to maintain your membership. A, followed by a month - you are a new member and must have your first year's eight page activity requirement fulfilled before or in the mailing date shown, in order to receive that mailing. 50 - you still owe a balance of 50¢ on your dues. If you have a credit, and your dues are due, I've indicated the amount of such credit.

FAPA has lost one of its more active members through the untimely death of Vernon McCain. I believe this is the first time the secretary has had the sad task of chronicling the death of a member. [I don't remember if Earl Singleton was a member at the time of his "Suicide" - unfortunately, in this case it is all too true] I am sure that all FAPA joins the officials in sending their condolences to Vernon's family and to his Fiancee, Miss Lillian Cartas. He will certainly be missed in our microcosmos, as well as in the larger world.

Departed as of last mailing: Edgar A. Martin [dues, activity] and Nancy Share [activity]. A petition to waive the lack of renewal credits as provided in the constitution for Nancy was signed by Pavlat, Evans, Eney, Calkins, Danner, Ballard, Warner, Shaw, Gerding, Harness. Since 12 signers are needed, the petition failed. [Nancy is back on the waiting list; maybe a copy of your mag?]

Added Jim Caughran [credentials, material in OMPA], Dave Jenrette [credentials, ed Quelles Horreurs, material in Yandro and Canfan].

2. gain, no reminders, other than this, of obligations in the matter of dues and activity. Unless I've made a mistake, it's up there in purple and white, for you to read. New members, note that your dues are due before your fourth mailing, and note the special activity requirement.

3. All candidates who filed in writing with me by today have been certified over to the official editor to be placed upon the ballot. Rumor had several more filings; none of these came to me in writing.

4. The waiting list. As stated before, my policy has been to require an acknowledgement from a waiting-listener at least every other mailing. Failure to do this has cost several people place on the list. Whether the next secretary-treasurer follows this practice depends, perhaps, upon who is elected. If re-elected, I will continue the requirement. So, it wouldn't do any harm to drop a note - a postcard will do - letting me know you are still interested and that your address is still correct - if it is. If Mike is elected, I'll pass them on to him. Deadline, as far as I can set it, is 25th of November, 1958. Those who acknowledged since last mailing are marked + in the list below. One or two kept their places only by the skin of their teeth - and some were well up the ladder.
