VICE-PRESIDENT'S REPORT

As the sun gently sets on my tenure as vice-president of FAPA, I take leave of the sturdy lauch of Officialdom (unless I'm invited back again), and paddle my small canoe back into the ranks of mundane membership. Feeling it only appropriate to make of my final official message a ringing and memorable farewell, I rise to my feet, open my mouth -- and nothing comes out. This is disastrous. Who ever heard of an officer with nothing to say? In my agitation, I overturn the canoe and find myself wallowing in an ocean of ignominy. /"Don't make waves!"

Go ing down for the third time, I was tossed a life-preserver by two kind - waiting-listers -- Chuck Hansen and Norm Metcalf. In Russell Chauvenet's "Shadow Mailing", received today, these two gave me something to talk about this mailing. Rightfully it belongs to Sec-Treas. Ellik, but I'm sure he'll not begrudge it to me in an emergency.

Both Hansen and Metcalf ask the same very good question --- a question of concern to all waiting-listers, and particularly to Chuck Hansen. Why, they want to know, in the FA of the 90th Mailing is Leslie Gerber #39 and Chuck #40 -- but in the FA of the 91st, Gerber is #33, Hansen is #35, while place #34 has been usurped by John Quagliano? A fair question.

Now, not having discussed the matter with Ron, I have no absolutely certain answer -- but I do feel qualified to make an educated guess. And I'll do just that because I greatly doubt that this "Shadow Mailing" with the questions will reach Ron in time for him to add the explanation in his current report.

Anyway, this is what I think happened (and Ron, correct me next mailing if I'm wrong). At the time John Quagliano was dropped from membership, Ron wrote me that he had asked to be immediately placed on the waiting-list. This was before Chuck Hansen sent his request to become a waiting-lister. In my report in the February FA, I mentioned that Quagliano was planning to rejoin us, then noted to my surprise that he was not on the list. I spoke of my "error" in the May PHlotz, only to find Quagliano listed as #34 in the May FA. It seems obvious to me that Ron simply forgot to list him in February, but allowed him his proper place on the w-1 roster in May, according to when his request was actually received. Right, Ron?

Let no aspersions be cast on the incumbents. The FAPA will never find a more meticulous, upstanding, dedicated group. Any skulduggery we indulged in was not all that obvious. And I say to you, here and now, it never will be as long as I hold office in FAPA! (Paid Advt.)

ERSATZ OFFICIAL EDITOR'S REPORT

The things we had to go thru to get the first echelon of this mailing (as we might call it) from the Youngs' place to Fort Hunt Road you wouldn't believe, so I won't explain 'em. I don't believe in straining the credulity of fantasy fans.

Besides, it wasn't part of my official duties. I was merely getting one-up on those phoney West Coast travelling giants. Nyaaah, Ron Ellik!

More pertinent: a certain number of postmailings slipped by me before the Youngs' housing-trouble came up and I volunteered to act as OE. I've tried to be accurate in listing postmalings to the XCI mailing; apologies to anybody I slight.

Dropped: Fred Smith (dues-activity) and Bill Rickhardt (see below). Joined: James V. Taurasi Sr (credentials: editor, Science-Fiction Times). George Charters has not had time to reply, which is why we have only 64 members this time.

2. The matter of William Rickhardt. Rickhardt was #1 on the waiting-list until Bloch resigned, creating a vacancy. Bloch's resignation took effect to include the 90th mailing, and all postmailings--that is, Bloch was a member until the Saturday of the 91st mlg, in May. Therefore Rickhardt could not become a member until May (per sec 2.1 of the constitution) and his entrance credential, "Flip" #1, was over a year old. So I have been forced to declare myself in error in admitting him, and have accordingly refunded his dues.

3. This matter of legitimate sex. Nobody has taken advantage of the Shacktivity Credits ruling I made as vice-president over a year ago, but lots of people have gotten married. This quarter we welcome Mrs. John Trimble to the Saragasso Sea of fandom, and this quarter your president, Bill Evans, has made a ruling to help solve problems for future sec-treasurers. As of now, all persons entering FAPA through marriage are assigned provisional positions on the waiting-list (or provisionally retained in their old positions) in case of divorce. This has been retroactively applied to all persons holding dual memberships, and these people know who they are, and where they are on the waiting-list. We trust that this simple preventive legislation will cast no blights on stefnists' unions, and that these positions will never be filled.

4. The waiting-list. Here it is, folks, the biggest suspense thriller in fandom. # next to your name means you acknowledged receipt of the 91st FA, lack of # means you must acknowledge this FA or be dropped. I will accept acknowledgements in this game of Ronel Roulette until 1 November and pass them on, but you should take care of it now. Applicants to FAPA membership must acknowledge every other issue of the FA, but I'm going strongly to urge my successor to up this to every issue.

Fifty waiting-listers, I said. That's not too many.

6. The matter of Uncle Elmer's petition. Redd Boggs would like it known that he did not actually sign the petition to waive Elmer Perdue's activity requirements for last year; Don Wilson forwarded me a card from Boggs offering to sign such a petition, and I mis-read it. However, Elmer had thirteen other signatures, so the constitution was satisfied.

7. Finances. Dues are three dollars (\$3.00) again starting with renewals due this quarter, and will remain so until some future sec-treas reduces them or until an amendment is passed changing them. The amendment to lower overseas dues didn't come up, as you can tell from the president's report. Here's how much there is for my last mailing--not an ounce more, nor a farthing less:

Balance carried forward, 9 May 60:	\$ 125.47	
Dues received	28.00	
Contribution	1.00	
Refund from OE from 91st mlg	1.08	
Total in	<u>155.55</u>	155.55
Dues refund, Rickhardt	3.00	
Advance to OE via Eney for 92nd mlg	30.00	
Total out	<u>33.00</u>	<u>33.00</u>
Balance to report to new sec-treas, 8 Aug 60:		\$ 122.55

Expenses of May mlg: FA, \$4.19; envelopes for FA, .65; Jiffybags, 31.75; delivery of Jiffybags, 2.26; postage on bundles, 30.07. Total, 68.92. \$70.00 was advanced, so the OE reported a "refund" of 1.08 and kept it; a check for 28.92 is being sent to Eney, which makes an advance of \$30.00 this time.

8. Elections. Right up to the last minute it looked like we weren't going to have enough candidates, but here's how the ballot turned out:

President:	Gregg Calkins Phyllis Economou
Vice-president:	Richard Eney Dan McPhail
Sec-treasurer:	Bill Evans John & Bjo Trimble
Official Editor:	Marion Z. Bradley

The president will announce who has -ahem- volunteered to be Teller, what amendments are up for vote, etc.

Since I don't know who my successor will be, I will continue to receive and record for this association until the next deadline (12 Nov 60) and pass all information to the secretary-treasurer-elect. Don't wait to find out the results of the election--pay your dues, send your magazines to Marion, read the FA, and write nasty letters to your lame-duck officers. If you put it off, you may find school or post-con gafia more interesting than FAPA, and you don't want that to happen; remember, fifty waiting-listers DO want that to happen.

As you turn the page, look back and watch your secretary-treasurer sinking slowly and gratefully back into the ranks of enlisted FAPA members, waving good-bye happily to the shoulder-bending yoke of officialdom for at least a year. Thanks, folks--but even though it's fun, I'm glad it's over.

The President's Message

There are two items of business this time. First, the annual election of the ~~executive~~ officers who will be responsible for the smooth functioning of the organization for the next year. At this time I don't know who they will be; the report will come from another of you joint-membership members, Bob and Juanita Coulson, who are hereby appointed tellers.

Item two is the amendments. After the three printed in the last mailing appeared, Bob Pavlat sent in a combination of the first two that appears reasonable. So, I've exercised my authority and have combined them. So, there will be only two amendments to be voted on this time.

1. Amend Section 2.3 of the FAPA constitution to read:

2.3. An individual who wishes to join FAPA shall send to the Secretary-treasurer an application stating his desire to join, and citing credentials as described under section 212 of this constitution. The credentials must have been published not more than one year prior to the date of application. The secretary-treasurer shall determine whether the credentials are valid; if so, if there is a vacancy, he shall admit the person to FAPA membership upon payment of dues. If there is no vacancy, and the credentials are valid, the applicant shall be admitted to a waiting list as of the date his application is received by the secretary-treasurer; the waiting list shall be maintained by the secretary-treasurer and shall be published in the official organ each quarter. Copies of the official organ shall be sent each quarter to each person on the waiting list. The secretary-treasurer shall require from each person on the waiting list suitable confirmation of continued interest in membership not less often than every other mailing; non receipt of such indication shall be grounds for removal from the waiting list. As vacancies in the membership occur, the secretary-treasurer shall notify the individual who applied earliest, at which time the person shall again cite valid credentials, published within a year from the date his membership is to begin, and must pay dues. In all cases, membership begins upon the date set for the next quarterly mailing, unless a different date is set by the secretary-treasurer.

Proposed by Boyd Raeburn, Gerald Stoward, P. Howard Lyons, Gregg Calkins, F.M. & Elinor Busby, Bob Pavlat, and Bill Evans.

2. Amend Section 3.3 of the FAPA constitution to read:

3.3. On endorsement by 22 other members, a member's lack of renewal credentials shall be waived on a particular occasion.

Proposed by John Trimble, Charles Burbee, Terry Carr, and William Rotsler.

It's been a nice, uneventful year - for me. So, I've enjoyed it. I told Ron to put me in for either s-t and oe, if he had a glaring gap there. I don't know which, yet.
