

A CHECKLIST OF FANTASY MAGAZINES

1945 Edition

THE FANTASY
FOUNDATION

35c

Bulletin Number One 20c to Subscribers

PREFACE

As the first of a long line of Foundation publications we are happy to present a relatively complete checklist of all fantasy periodicals. Insofar as the major English-language titles are concerned, we believe this list to be both complete and error-free, but it was not possible to furnish an adequate listing of several of the more obscure items. It is also very likely that there exist several foreign language publications whose names are not even known to us. Anyone able to furnish additional information is requested to send it to Forrest J. Ackerman, 236½ N. New Hampshire, Los Angeles 4, Cal., for inclusion in the next edition of this checklist.

No author is shown on the title page of this pamphlet because in its present form it is the work of at least five individuals: Norman V. Lamb, William H. Evans, Merlin W. Brown, Forrest J. Ackerman, and Francis T. Laney. The Fantasy Foundation wishes to extend its thanks to these gentlemen, as well as to the several members of the Los Angeles Science Fantasy Society who assisted in its production.

MYSTERY MAGAZINE/MYSTERY STORIES

This magazine of the mid-twenties was, at least for part of its career, apparently an out-and-out rival to WEIRD TALES, though of vastly inferior quality. The editors of this catalog lack sufficient copies to compile a listing.
